SYR. HYPOPHOS: FELLOWS.

(Dispensed in Bottles containing 20 oz. by weight, or about 15 oz. by measure)

Mr. Fellows takes this opportunity to thank the Profession for their increased recognition of his invention.

To the medical gentlemen who have kindly permitted the publication of their testimony in favor of his Hypophosphites, and who, by letter or otherwise, have expressed their disapproval of the fraudulent imitations, he is especially grateful.

With its increasing favor there has been a corresponding increase of imitations, and though this is a compliment in the sense that "only the best things are worth counterfeiting," yet Mr. Fellows would respectfully request the profession to guard against the misleading advertisements and fictitious compounds of notorious imitators

SAFEGUARDS AGAINST SUBSTITUTION.

Fellows' Hypophosphites is dispensed in bottles containing 15 oz. by measure—the address, Fellows & Co., St. John, N. B., blown on—the name, J. I. Fellows, St. John, N. B., in watermark upon the yellow wrapper; it is hermetically corked, and sealed with crimson capping; is heavy, slightly alkaline, has a pleasantly bitter taste, and deposits a flocculent brown precipitate of Hypophosphite of Manganese when left undisturbed for forty-eight hours.

NOTE.—Though this precipitate mars the appearance, its presence has been found imperative to its full remedial effect.

RESOLUTIONS.

Adopted by the physicians of Santa Clara Co., California, 124 in number, are rather interesting, and should be somewhat of a guide to our Eastern brothers and a hint to those who extend their services free to the pay class of hospital patients.

Whereas, rendering professional services at a stipulated fee per capita per annum is derogatory to the dignity of the medical profession, we, the undersigned physicians and surgeons of Santa Clara County, California, enter into the following agreement:

First.—We mutually, jointly, and individually, pledge our word of honor not to enter into any contract or agreement, or renew any existing contract or agreement, either written, verbal or implied, to render medical or surgical services to any lodge, society, association or organization.

Second.—We will not render medical or surgical services to the members of the above mentioned bodies for less compensation than we charge the general public for similar services.

Third.—This agreement shall not be construed to affect existing contracts between physicians and surgeons and the above-mentioned bodies.

Fourth.—These pledges shall take effect and be in force for a term of three (3) years from and after May 22, 1896.

This agreement shall not apply to hospitals and purely public charitable institutions.
