

*The Revenue and Expenditure*

The following tables show the ordinary receipts and issues of the exchequer as completely as the remaining Pells, Auditors', and Jews' rolls of the Exchequer of Receipt will permit. There are many

## RECEIPTS.

Easter 1272 .								1289	10	0

<sup>1</sup> This is a headed roll of receipts by counties, the sum of which, on the dorse of m. 1, reads to this effect:—

	£	s.	d.
'Total receipts of this term . . . . .	1920	12	9
Total issues . . . . .	1786	18	4
There remain in the treasury . . . . .	133	14	5'

The year must have begun with an empty treasury.

<sup>2</sup> 'Rotulus Indeorum de tallagio 4000 marcarum,' on m. 4. The Jews' Roll (Exch. of Rec.), no. 2, m. 8, is summed 741*l.* 17*s.* 4½*d.*

<sup>3</sup> Jews' Roll (Exch. of Rec.), no. 8.

<sup>4</sup> This roll runs to 7 Feb.: some membranes missing.

<sup>5</sup> An obelus distinguishes the 'sums' given in the rolls which are clearly incorrect. The errors are very small.

<sup>6</sup> Incomplete roll.

<sup>7</sup> 'Justices of the Jews.'

<sup>8</sup> Including 70*l.* 11*s.* 8½*d.* of amercements and fines before the justices assigned to the custody of the Jews.'

<sup>9</sup> 'Tallage of the Jews of 10,000 marks;' also in Jews' Roll (Exch. of Rec.), no. 6.

<sup>10</sup> 'Justices of the Jews,' 17*l.* 11*s.* 10*d.*; the like: 'for exchanging without warrant,' 6*l.* 13*s.* 4*d.* This roll records the receipt from William de Gloucester of 366*l.* 13*s.* 4*d.*, which is not included in the 'sum.'

<sup>11</sup> 'Tallage of the Jews of 5000 marks,' Jews' Roll (Exch. of Rec.), no. 5a.

*of England under Henry III.*

breaks in the series. The references are to the Pells rolls; but where 'A' is prefixed, the Auditors' roll is indicated.

ROBERT JOWITT WHITWELL.

## ISSUES.

Easter 1263 . . .	2807	7	6	892	17	11	3110	5	5	14

<sup>12</sup> The liberate roll of 25 Hen. III (28 Oct. 1240-27 Oct. 1241) has a note on memb. 5 to this effect: 'Sum of this roll for writs of liberate from the feast of St. Simon and St. Jude [28 Oct.] to Saturday, the eve of the Nativity of the B.V.M. [7 Sept.], 13,203l. 1s. 8d.'

<sup>13</sup> The sum of the second quarter is corrected by the Auditors' issue roll, no. 29, docketed '25 Edw. I.'

<sup>14</sup> Of this sum 15,804l. 9s. 10d. was paid after 22 March.

<sup>15</sup> The 'Fines, liberate, et contrabrevia de Wasconia, 27 Hen. III,' have an entry ('Rôles Gascons,' no. 1710), dated about 12 March 1243, to this effect: 'Sum by writs of liberate from the beginning of the year, 2162l. 6s. 5d.; sum by writs of liberate since the king landed in Poitou, to date, 5566l. 12s. 4d.'

<sup>16</sup> So docketed; the roll breaks off five weeks after Trinity, the last membrane being lost. Down to this point the issues are dated by days; afterwards each quarter is separate, and there are occasional interim totals. Otherwise the items follow without a break.

<sup>17</sup> Some membranes missing at the head.
