P R E F A Z I O N E

Quando nell'Aprile dell'anno 1905, per onorare la memoria di un illustre botanico inglese, benemerito della nostra scienza in Italia, io pubblicai una piccola raccolta di scritti botanici sotto il titolo Webbia, non ebbi in animo di iniziare una pubblicazione periodica; ma la buona accoglienza fatta a quel volume mi ha dato coraggio ad invitare nuovamente alcuni chiarissimi amici e colleghi a favorirmi dei lavori per comporne un secondo portante lo stesso titolo. Con ciò non intendo fare promesse per il futuro, nè dare un carattere di regolare periodicità alla Webbia; se però, come spero, l'esito del presente volume non sarà inferiore a quello del primo, mi propongo di farne seguire altri più o meno sollecitamente.

Rivolgo intanto agli amici collaboratori i miei ringraziamenti.

Da Firenze, Dicembre 1907.

Prof. UGO LINO MARTELLI.
