# Stephan Druskat

PhD (Software Engineering) `German Aerospace Center (DLR)` RSE (Linguistics, Software Sustainability) `Friedrich Schiller University Jena`
de-RSE (Society for Research Software), #deRSE19, FORCE11 SCIWG `Activities`

✉️ mail@sdruskat.net | 🐦 @stdruskat

# I have questions

- How much "traditional" software engineering do different kinds and aspects of research software actually need?

# I hope to contribute to answers

- Software citation, software citation, software citation (PhD, CFF, SCIWG)

# 🎶 I like to collab, collab 💃

- Mini-workshop on documentation for research software (*Tuesday, 15:30*)
- Hack session

Thanks:
