ROR is a **community-led project** to develop an open, sustainable, usable, and unique identifier for every research organization in the world

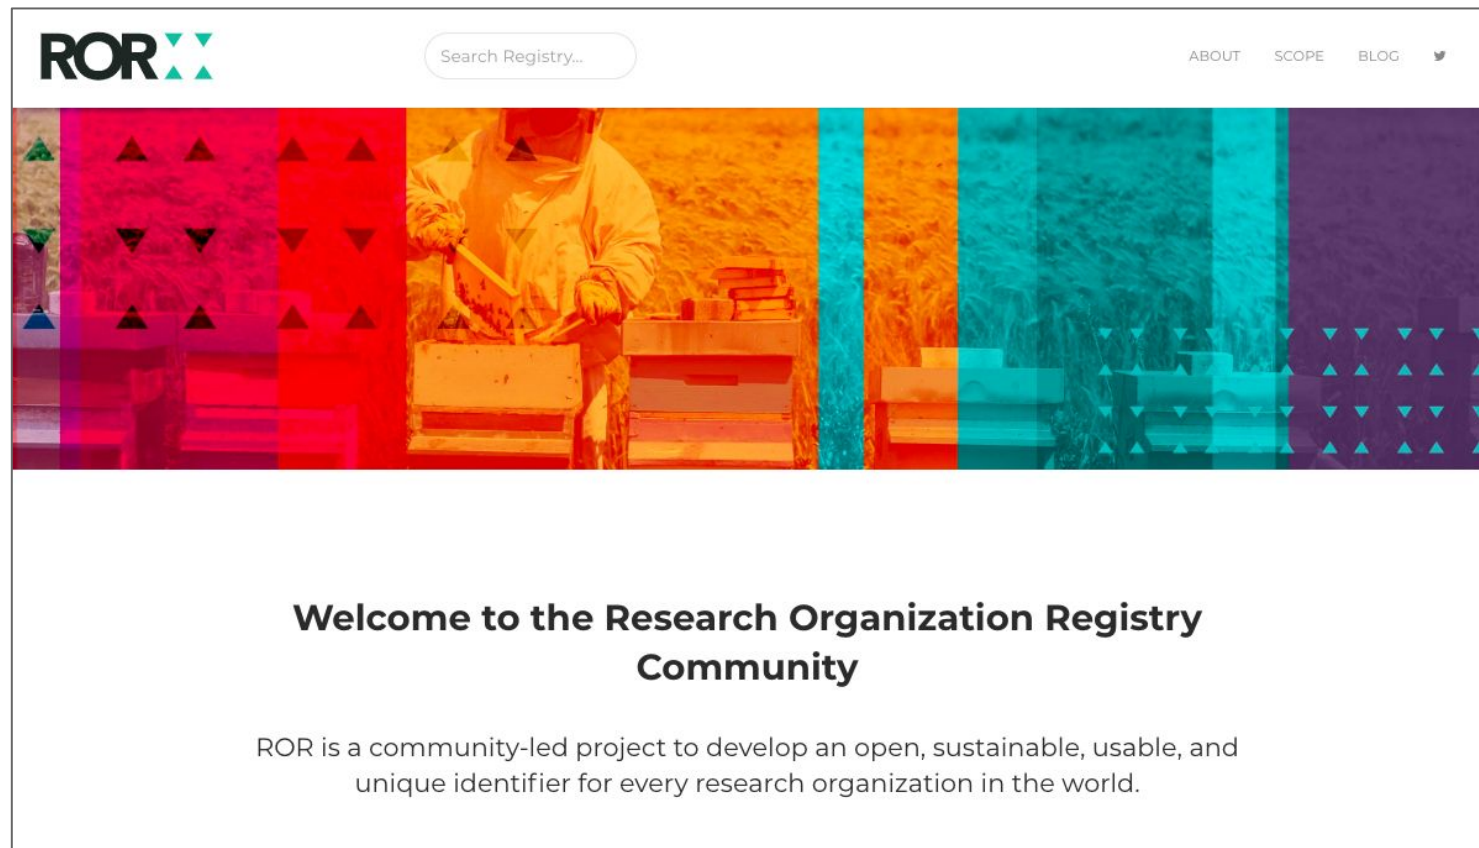

ROR is a community-led project
to develop an **open**, sustainable,
usable, and unique identifier for
every research organization
in the world

ROR is a community-led project
to develop an open, sustainable,
usable, and unique identifier for
every **research organization**
in the world

ROR MVR

The screenshot shows the homepage of the Research Organization Registry (ROR) MVR. At the top left is the ROR logo, followed by a search bar labeled "Search Registry...". To the right are navigation links for "ABOUT", "SCOPE", "BLOG", and a Twitter icon. Below the navigation is a large banner image with a colorful, abstract background featuring a person in a white lab coat working in a laboratory. The main heading reads "Welcome to the Research Organization Registry Community". Below this, a paragraph states: "ROR is a community-led project to develop an open, sustainable, usable, and unique identifier for every research organization in the world."

Another Small College Will Close

Green Mountain says it couldn't chart a path toward financial stability. This semester will be its last.

By [Scott Jaschik](#) // January 24, 2019

67 COMMENTS 

Green Mountain College

Green Mountain College announced Wednesday that it will close at the end of the spring semester.
