<Files\\H1> - § 2 references coded [2.14% Coverage]

Reference 1 - 0.84% Coverage

Whenever we don't have a flood, we are guaranteed there is drought.

Reference 2 - 1.30% Coverage

We have had 8 years of drought since 2008, the last flood was this year 2018 and last drought in 2017

<Files\\H10> - § 1 reference coded [1.74% Coverage]

Reference 1 - 1.74% Coverage

Drought is long term, it can even stays for 6 years and flood vary, sometimes if other regions receives rain, it may also flood on our side.

<Files\\H11> - § 1 reference coded [2.17% Coverage]

Reference 1 - 2.17% Coverage

Normally we have floods every time it rains and most of the time we have drought because we have not been receiving rain. This year we had good rains but it came late and it caused a flood.

<Files\\H12> - § 1 reference coded [1.28% Coverage]

Reference 1 - 1.28% Coverage

It keeps fluctuating, sometimes there is drought, sometimes there's both drought and flood.

<Files\\H13> - § 1 reference coded [1.64% Coverage]

Reference 1 - 1.64% Coverage

Drought is here every year. All we do is go and dig stones to sell otherwise we will die of hunger. Flood only comes when it rains.

<Files\\H14> - § 1 reference coded [2.08% Coverage]

Reference 1 - 2.08% Coverage

1. **When often do you experience flood and drought?**

Sometimes we go for 2 to 3 years without any flood event and for the past 6 years, we had drought.

<Files\\H15> - § 1 reference coded [0.83% Coverage]

Reference 1 - 0.83% Coverage

We get drought every time it rains, and drought is almost every year.

<Files\\H16> - § 1 reference coded [1.43% Coverage]

Reference 1 - 1.43% Coverage

The flood fluctuates, sometimes we go for several years without experiencing flood but the drought is here every year.

<Files\\H17> - § 1 reference coded [1.04% Coverage]

Reference 1 - 1.04% Coverage

Flood fluctuate and comes occasionally, but the drought is here every year.

<Files\\H18> - § 1 reference coded [1.71% Coverage]

Reference 1 - 1.71% Coverage

We have drought every time we receive low rainfall and last year there was no rain at all, for so many years it was the same.

<Files\\H19> - § 1 reference coded [2.01% Coverage]

Reference 1 - 2.01% Coverage

We don't get flood here because we are far from the river and flood does not reach here. Last year there was drought and many years before that.

<Files\\H2> - § 1 reference coded [2.61% Coverage]

Reference 1 - 2.61% Coverage

2.

Sometimes flood comes after 4 or 5 years, so it keeps fluctuating. Sometimes the intensity is high like this year, my generator also got washed away and I don't have any livestock, I depend on the garden only. We have drought each and every year in this area.

<Files\\H20> - § 1 reference coded [1.84% Coverage]

Reference 1 - 1.84% Coverage

For flood, it skips a few years and we don't know why and what determines this. We have had drought for the past many years, about 6

<Files\\H21> - § 1 reference coded [1.80% Coverage]

Reference 1 - 1.80% Coverage

We get drought every year but flood comes only when it rains, this year's flood was worse than all other years and before this one, we got one two years ago

<Files\\H22> - § 1 reference coded [1.51% Coverage]

Reference 1 - 1.51% Coverage

We experience flood only some years, and this is when it rains and on these years we don't have drought.

<Files\\H23> - § 1 reference coded [1.15% Coverage]

Reference 1 - 1.15% Coverage

We don't get enough rain and it comes late and stay for one or two months

<Files\\H24> - § 1 reference coded [1.72% Coverage]

Reference 1 - 1.72% Coverage

We have has seven years of drought. The flood affected us badly. This year we reported the issue of flood to the government.

<Files\\H25> - § 1 reference coded [1.96% Coverage]

Reference 1 - 1.96% Coverage

We have has seven years of drought. The flood affected us badly. This year we reported the issue of flood to the government.

<Files\\H26> - § 2 references coded [4.78% Coverage]

Reference 1 - 1.26% Coverage

For the past six years, we have had no rain at all and when it does come it is delayed.

Reference 2 - 3.53% Coverage

The rain fluctuates and comes rarely and for the past six years we had no rain at all. The vegetation and all our crops just dries up and we lose everything, crops, livestock etc. It is just hunger in this community, hunger for people and animals.

<Files\\H27> - § 1 reference coded [0.45% Coverage]

Reference 1 - 0.45% Coverage

We have drought every year.

<Files\\H28> - § 1 reference coded [1.72% Coverage]

Reference 1 - 1.72% Coverage

This year, it did not rain at all. As you can see now I am coming from the mountains to collect Ombuma,.

<Files\\H29> - § 1 reference coded [1.73% Coverage]

Reference 1 - 1.73% Coverage

This year, it did not rain at all. As you can see now I am coming from the mountains to collect Ombuma,.

<Files\\H3> - § 1 reference coded [2.20% Coverage]

Reference 1 - 2.20% Coverage

Flood always come when we receive heavy rains like this year, the last flood event was 2008 and since then we had not had much rain at all, it has just been drought.

<Files\\H30> - § 1 reference coded [0.87% Coverage]

Reference 1 - 0.87% Coverage

We have been experiencing drought since 2007 to date.

<Files\\H31> - § 1 reference coded [0.89% Coverage]

Reference 1 - 0.89% Coverage

We have been experiencing drought since 2007 to date.

<Files\\H33> - § 1 reference coded [2.49% Coverage]

Reference 1 - 2.49% Coverage

We only see the rain in March, it used to come in November. So now the rain comes late and stays for a short time, leaving the crops in the fields to die.

<Files\\H34> - § 1 reference coded [1.16% Coverage]

Reference 1 - 1.16% Coverage

The rain does not come at all, we just have hunger in this community.

<Files\\H35> - § 1 reference coded [1.18% Coverage]

Reference 1 - 1.18% Coverage

We have frequent drought in this area, we are only living because of God.

<Files\\H36> - § 1 reference coded [0.62% Coverage]

Reference 1 - 0.62% Coverage

We had drought for the past ten years.

<Files\\H37> - § 1 reference coded [0.54% Coverage]

Reference 1 - 0.54% Coverage

We have had drought for ten years.

<Files\\H39> - § 1 reference coded [0.54% Coverage]

Reference 1 - 0.54% Coverage

We have had drought for ten years.

<Files\\H4> - § 1 reference coded [2.40% Coverage]

Reference 1 - 2.40% Coverage

We experience drought almost every year and flood when it rains. Last year we did not have any flood, only in 2015, then this year, we had the worst flood event. The intensity of the flood differ from year to year

<Files\\H40> - § 1 reference coded [3.57% Coverage]

Reference 1 - 3.57% Coverage

In 2011 that was a disastrous year for everyone here and that is when we had the worst drought ever. Even people died, animals and humans died and it was a tragedy. Even years after that we have never really recovered and drought continues-

<Files\\H41> - § 1 reference coded [1.71% Coverage]

Reference 1 - 1.71% Coverage

Even five years can pass by without any rain at all. When it comes, it is very little and this keeps fluctuating but it is never enough in this community.

<Files\\H42> - § 1 reference coded [1.25% Coverage]

Reference 1 - 1.25% Coverage

We get frequent droughts, sometimes lasting for 5 years and then the circle repeats itself again.

<Files\\H43> - § 1 reference coded [0.82% Coverage]

Reference 1 - 0.82% Coverage

We have more than ten years of drought in our community

<Files\\H44> - § 1 reference coded [1.01% Coverage]

Reference 1 - 1.01% Coverage

This year it rained a little bit but for the past ten years, just drought.

<Files\\H46> - § 1 reference coded [0.62% Coverage]

Reference 1 - 0.62% Coverage

We have drought every year in this area.

<Files\\H47> - § 1 reference coded [2.18% Coverage]

Reference 1 - 2.18% Coverage

We have drought every year and other problems is that we don't have land for gardening, even if we want to make gardens, we don't have land.

<Files\\H48> - § 1 reference coded [0.41% Coverage]

Reference 1 - 0.41% Coverage

We get drought every year.

<Files\\H49> - § 1 reference coded [1.99% Coverage]

Reference 1 - 1.99% Coverage

We get drought every year. Now we are suffering a lot. In the past the government helped us a lot and we got relief but not anymore

<Files\\H5> - § 1 reference coded [0.89% Coverage]

Reference 1 - 0.89% Coverage

We get drought every single year in this area but flood only comes when it rains.

<Files\\H50> - § 1 reference coded [0.49% Coverage]

Reference 1 - 0.49% Coverage

We get drought every year here

<Files\\H51> - § 1 reference coded [1.60% Coverage]

Reference 1 - 1.60% Coverage

We get drought every year and when it rains, it brings flood and it washes away all our produce

<Files\\H52> - § 2 references coded [1.04% Coverage]

Reference 1 - 0.40% Coverage

We get drought sometimes

Reference 2 - 0.64% Coverage

For so many years, we have had drought.

<Files\\H53> - § 1 reference coded [0.93% Coverage]

Reference 1 - 0.93% Coverage

Sometimes we get enough rain and many times we get drought

<Files\\H54> - § 1 reference coded [1.53% Coverage]

Reference 1 - 1.53% Coverage

When was the last flood or drought event you experienced?

We get drought every year in this community.

<Files\\H55> - § 2 references coded [2.77% Coverage]

Reference 1 - 1.45% Coverage

We get frequent droughts and the soil is very rocky to grow crops. The weather is too hot, destroying plants

Reference 2 - 1.32% Coverage

When was the last flood or drought event you experienced?

For so many years, we have had drought.

<Files\\H56> - § 1 reference coded [0.68% Coverage]

Reference 1 - 0.68% Coverage

We had three consecutive years of drought

<Files\\H57> - § 1 reference coded [0.53% Coverage]

Reference 1 - 0.53% Coverage

We normally get drought every year

<Files\\H58> - § 1 reference coded [0.60% Coverage]

Reference 1 - 0.60% Coverage

For so many years, we have had drought.

<Files\\H59> - § 1 reference coded [2.52% Coverage]

Reference 1 - 2.52% Coverage

In 2007, we had a severe drought for animals and people, 2010 we had another severe drought, that killed many livestock and people too. This year the rain was very little

<Files\\H6> - § 1 reference coded [0.54% Coverage]

Reference 1 - 0.54% Coverage

We have drought every year in this area.

<Files\\H60> - § 1 reference coded [2.36% Coverage]

Reference 1 - 2.36% Coverage

With the rain. The season is really short, leaving crops in the field to die and we have no hope we are not able to do anything. Years can pass by without any rain at all

<Files\\H7> - § 1 reference coded [1.80% Coverage]

Reference 1 - 1.80% Coverage

Flood only comes on few occasions and drought occurs every year, but drought for livestock is better, drought for humans is always here in this community

<Files\\H8> - § 2 references coded [1.68% Coverage]

Reference 1 - 0.45% Coverage

We experience drought every year.

Reference 2 - 1.23% Coverage

We had four years of flood, then in 2017 we didn't have a flood and this year it was worse

<Files\\H9> - § 1 reference coded [1.33% Coverage]

Reference 1 - 1.33% Coverage

It has been about 2 years since we experienced flood and we have had 6 years of drought

<Files\\I15> - § 1 reference coded [4.79% Coverage]

Reference 1 - 4.79% Coverage

What we do is we move from place to place looking for better grazing areas for our livestock

Since 2007, we have had drought and in 2017 we moved our cattle to Angola for green pasture because we received very little rain.
