High school. When my father died, I had no money to continue with my education and without a qualification it is hard to get a job

[<Files\\H42>](#) - § 1 reference coded [2.54% Coverage]

Reference 1 - 2.54% Coverage

We hardly survive to be honest. We try to sell what we can with the little we make, we invest in a small business, we also dig wells to make gardens to help us and we focus our energy on gardening.

[<Files\\H43>](#) - § 1 reference coded [3.70% Coverage]

Reference 1 - 3.70% Coverage

Though we know that drought is coming, we do not have the capacity to do anything and therefore we can't do anything about our situation. Concentrating on the garden, there are many factors that causes it to fail such as irrigation and baboons etc.

[<Files\\H44>](#) - § 2 references coded [4.11% Coverage]

Reference 1 - 1.08% Coverage

Somedays we go to bed hungry and we try and look for work from the rich people.

Reference 2 - 3.03% Coverage

We always voice our concerns but our councilor does not really do anything about it. When I was growing up, we never had these problems. We started seeing these changes in the past ten years and the impacts are devastating

[<Files\\H46>](#) - § 1 reference coded [2.75% Coverage]

Reference 1 - 2.75% Coverage

No form of livelihood, we try to go fishing and begging from neighbors, sometimes we exchange fish with flour with other people. We don't have a garden or any livestock at all.

[<Files\\H49>](#) - § 1 reference coded [2.35% Coverage]

Reference 1 - 2.35% Coverage

In our time, we did not even see papers as we were growing up. Education is very important and I tell all the young ones to go to school so they can learn

[<Files\\H54>](#) - § 1 reference coded [1.38% Coverage]

Reference 1 - 1.38% Coverage

We find it hard to survive as we don't have an irrigation system, a water supply to grow food

[<Files\\H57>](#) - § 1 reference coded [2.03% Coverage]

Reference 1 - 2.03% Coverage

What really help us is pension fund. That is what we depend. The world has become very expensive but we are thankful to the government

[<Files\\H58>](#) - § 1 reference coded [1.53% Coverage]

Reference 1 - 1.53% Coverage

Selling stones but we don't get customers anymore. Even today we had nothing to eat since we woke up

[<Files\\H60>](#) - § 1 reference coded [3.63% Coverage]

Reference 1 - 3.63% Coverage

No it is not enough at all. We try to water with buckets, our gardens but this is not successful. Machine is what will help us

For those who were given machines , some are not hard working at all, I wish the machines were given to those who can really work.

[<Files\\I13>](#) - § 1 reference coded [2.70% Coverage]

Reference 1 - 2.70% Coverage

My husband is old and has no energy anymore. As for me I do hair to try and earn something to support us

[<Files\\I14>](#) - § 1 reference coded [4.77% Coverage]

Reference 1 - 4.77% Coverage

I am poor, I am left with nothing. I lost everything. I only survive by begging from people and even worse I am an orphan and I lost my ID. I cannot find work anywhere. I am hungry, I don't have food.

[<Files\\K13>](#) - § 1 reference coded [3.94% Coverage]

Reference 1 - 3.94% Coverage

We don't have a reliable form of livelihood, we just live from hand to mouth. Though we have a garden, we don't make much from it because there is no rain. We have few goats.

[<Files\\K9>](#) - § 1 reference coded [3.43% Coverage]

Reference 1 - 3.43% Coverage

1.

There is nothing to sell, nothing to make a living from, the stones extremely far away though some go there and dig precious stones.
