The Alan Turing Institute

binder

Build a BinderHub for hosting Reproducible Software in the Cloud

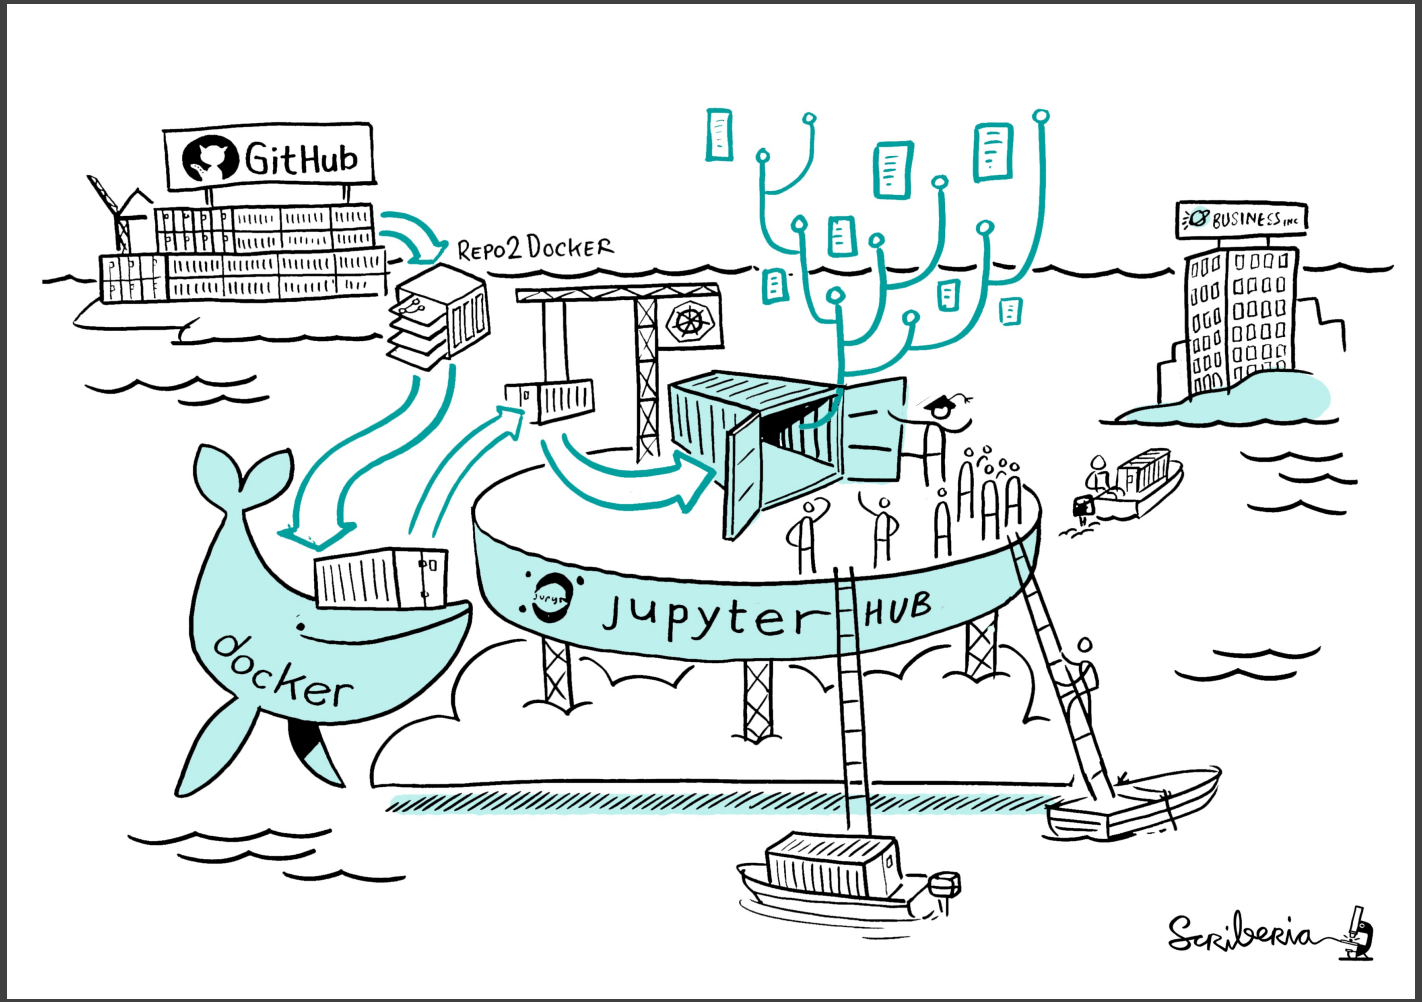
19th September 2019, 9am
Dome Lecture Theatre
Aston Webb Building

Sarah Gibson

Workshop: bit.ly/zero-to-binderhub-workshop
HackMD: bit.ly/RSEConBinderHub

https://doi.org/10.5281/zenodo.3404774

#TuringWay #ukrse19



https://doi.org/10.5281/zenodo.3404774

Goals

- Learn why Reproducible Research is important and what we're doing to champion it
- Learn about the service Binder provides and the ~~magic~~ technology that powers it
- Build a BinderHub yourself! Find out if this is the right tool for your team / institution / organization / squad…

https://doi.org/10.5281/zenodo.3404774

Prerequisites

- Familiarity with the command line
- Docker Hub account, sign up: https://hub.docker.com/signup
- Azure Pass: Please leave your email in #binderhub-workshop channel on RSE Slack

Please **DO NOT** use an ".ac.uk" domain or organisation affiliated email to sign up! 😭 😭 😭
