

**Title:**.....

Please fill in your answers on post-its and put the post-its on the sheet in the right category.  
After everyone has given their input, you can rate the different suggestions with heart stickers (=most important to follow up) and discuss!

What are the main challenges?

What works already in your local institution, or which best practices of others do you see as an example?

How can the work of the initiatives presented today help you?
