Search in EQB

The screenshot displays the EQB (Euro Question Bank) search interface. The top navigation bar includes links for Project, User Interface, Architecture & Requirements, Summary, and Q & A. The main header shows the Consortium of European Social Science Data Archives logo and the EQB Euro Question Bank logo.

A search bar at the top contains the text "job". Below the search bar, there are four filter options: ☒ Question texts, ☐ Response categories, ☐ Study titles, and ☐ Pre- and post-question texts.

On the left side, there is a "FILTER & BROWSE" panel with the following options: Series, Collection year, Country, Language, Mode of collection, and a "RESET ALL FILTERS" button.

The main content area displays a list of search results. Each result includes a question text, a "Detailed question view" link, a "Response categories" link, and a language dropdown menu set to "(English,en)". The results are as follows:
