CANARIE Research Data Management Workshop

February 4, 2020

Digital Preservation

Digital preservation refers to the series of managed activities necessary to ensure continued access to digital materials for as long as necessary.

Digital Preservation

This.

Not this.

FAIR Implications

- Accessible
- Reusable
- But really....

Enter the project partners

Scholars Portal - OLRC

COPPUL - WestVault

And the software in question

Bill of Work for the project

- Break existing DuraCloud dependencies on AWS
- Develop OLRC (OpenStack Swift) storage adapter
- Develop WestVault (LOCKSS) storage adapter
- Stand up a local service

OK just show us the thing

What's left?

- The CANARIE Software Directory thing
- Archivematica testing
- Roll out DuraCloud to OLRC Subscribers
- Further roll out
