

Signatories to Pe'er et al's Scientists Statement: "Action needed for the EU Common Agricultural Policy to address sustainability challenges" (Preprint version).

The publication can be found under DOI: 10.5281/zenodo.3666258

Disclaimer: while the list of signatories has been checked for errors, duplications and inconsistencies, it may still be that one person or the other is not a confirmed scientist.

Should you see any person in the list who should not appear in it, or if your name has been mistakenly removed, please let us know asap. Thank you.
