KICK-OFF MEETING IN ITALY (IZSAM)

Summary

The kick off meeting of the TELE-Vir project were held on January 21st – 22nd 2020 at the International Centre for Veterinary Training and Information "F. Gramenzi" (CIFIV) of Istituto Zooprofilattico Sperimentale dell’Abruzzo e del Molise “G. Caporale” (Via G. Caporale, Teramo, Italy). All partners were present. The OHEJP rules, OHEJP regulations, TELE-Vir project proposal, TELE-Vir deliverables, TELE-Vir tasks and participating Institutes were presented (see Agenda). After the presentations two groups were formed: 1) a Bioinformatic group that discussed WP2 of the TELE-Vir project and 2) a Laboratory group that discussed WP3 of the TELE-Vir project. Each group came up with a Strategic work plan for the TELE-Vir project.

1. Meeting Venue

The International Centre for Veterinary Training and Information (CIFIV) is a training facility founded to facilitate knowledge dissemination and exchange among professionals from cross border countries as well as the Mediterranean basin and Balkan area.

CIFIV is not only a physical centre, but it is also a network of competent authorities, universities and research institutions of east European countries and Mediterranean countries focused on regional approach, strategies and methods to develop health and food safety management systems overcoming individualities.
