

23 RDM Things

Home Office Edition

To start you off: Short RDM videos

In order to get you started, we have selected two German and one English website with short introduction videos to several RDM-related topics.

- 1 **Short RDM introduction videos by RWTH Aachen**
» <https://bit.ly/3corFEh>
- 2 **YouTube Channel by FDM-Bayern.org**
» <https://bit.ly/3bqp3bH>
- 3 **RDM Introduction video by the Digital Curation Centre**
» <https://bit.ly/3etRfcX>

In-depth training: RDM Online courses

For those who want to delve deeper into the topic, here are two German and two English self-learning RDM online courses.

- 4 **Self-study course by Marburg University**
» <https://bit.ly/2VOLtub>
- 5 **Self-study course mandated by Swiss Universities**
» <https://bit.ly/3bc8RYR>
- 6 **Self-study course by the University of Edinburgh**
» <https://bit.ly/2VC9rbS>
- 7 **CESSDA self-study course**
» <https://bit.ly/2XJmT04>

Compact info on specific topics: TKFDM handouts and best practices

In this category you will find compact RDM information material by the Thuringian Competence Network Research Data Management.

- 8 **Fact Sheets on different RDM-topics**
» <https://bit.ly/3agcqMn>
- 9 **Best Practice examples from Thuringian universities**
» <https://bit.ly/2z3y3T3>

For Inspiration: interesting RDM-related articles

If you would just like to read about RDM in action, we have selected three interesting articles for you.

- 10 **"Open research casts doubt on arsenic life"**
» <https://go.nature.com/2xEae3T>
- 11 **"Before reproducibility must come preproducibility"**
» <https://go.nature.com/2XPQaWS>
- 12 **"Enabling the Reproducibility of Your Research"**
» <https://bit.ly/3cod7oj>

Entertaining brain teasers

If your brain needs a breather, give it an entertaining and yet informative break with these two things.

- 13 **RDM quizzes on forschungsdaten.info**
» <https://bit.ly/2K8Rv38>
- 14 **Research Data Scarytales by TKFDM**
» <https://bit.ly/3569Vvd>

Do-It-Yourself: RDM activities

If you would like to get active after all this reading, you can try out this list of large and small RDM activities. Whip your RDM into shape!

- 15 **Get a personal persistent identifier.**
For example with non-profit organisation [OrcID](https://orcid.org).
Already got one? When is the last time you've updated your profile?
» <https://orcid.org>
- 16 **What kind of RDM budget do I actually need for my project?**
Find out by using the [OpenAire RDM Cost Calculator](https://openaire.eu).
» <https://bit.ly/3cvg72l>
- 17 **Have you ever created a data management plan?**
There are useful tools to help you with that, such as [RDMO](https://rdmo.org) (» <https://bit.ly/2xBRfqL>) and [DMPonline](https://dmponline.org) (» <https://bit.ly/2VgeFep>). Why not create an account and get started today?
- 18 **Learn How to Cite Data and Code in a New 10-Minute Course from IEEE.**
» <https://bit.ly/2XJmT04>
- 19 **Your data are already open and FAIR?**
Then why not submit one of your datasets - for example to the Thuringian FAIRest Data Set Award (» <https://bit.ly/2VE4ZZU>) or the Open Data Impact Award (» <https://bit.ly/3bm7yGQ>).

Special Focus: FAIR Data

If you are unsure what FAIR means with respect to research data or whether your data comply with the FAIR principles, then this section is for you – FAIRify your data!

- 20 **FOSTER FAIR Data course**
» <https://bit.ly/2RKhfXu>
- 21 **MIT Press Special Issue on Emergent FAIR Practices**
» <https://bit.ly/34GMI86>
- 22 **EUDAT FAIR Data Checklist**
» <https://bit.ly/2VA1jbP>
- 23 **ARDC FAIR Data self-assessment tool**
» <https://bit.ly/2VgfHqN>
