## 2 - Objectives

1. WHAT: examine **internationalization** and their strategies
3. WHY: find out the **importance of languages** and **English** in higher education

2. WHERE: in Spanish universities

4. GOAL: compare to the **national strategy**

(Strategy for the Internationalization of Spanish Universities MECD, 2014)

## 3- Methodology: method

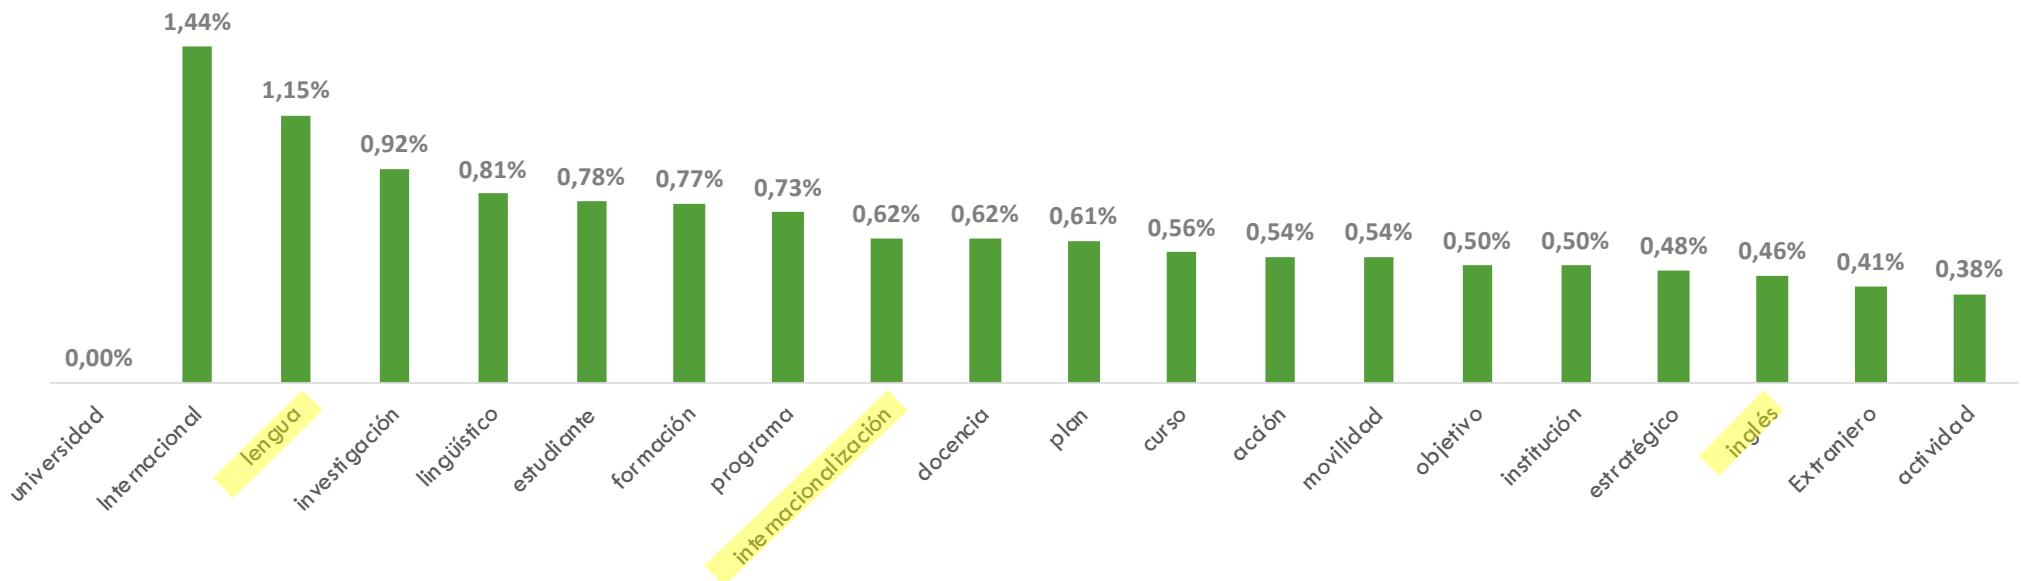

- QUANTITATIVE ANALYSIS: corpus linguistics
- WORDLIST = frequency of salient terms
- KEYWORDS = internationalization, English & language
- COLLOCATIONS = analysis of words and patterns
- Results organised into CATEGORIES

## 3- Methodology: data

- 132 documents from 71 universities (202,234 words)
- MULTILINGUAL corpus: Spanish, Catalan, Galician, English
- GENRES: strategy plans, internationalisation plans, annual reports, and language policies

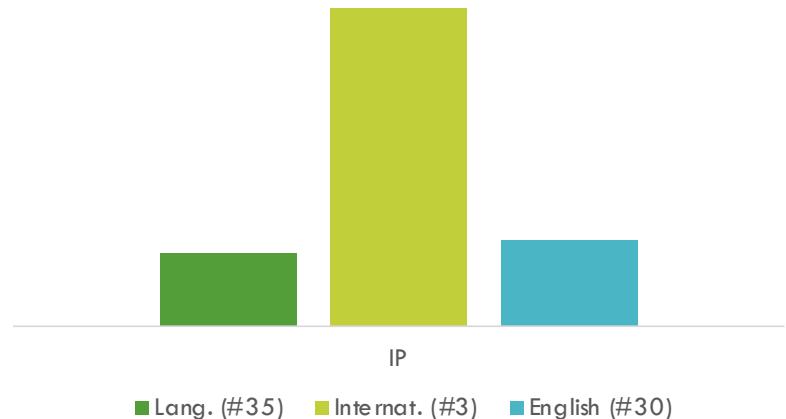

## 4- Discussion: frequencies (top 20)

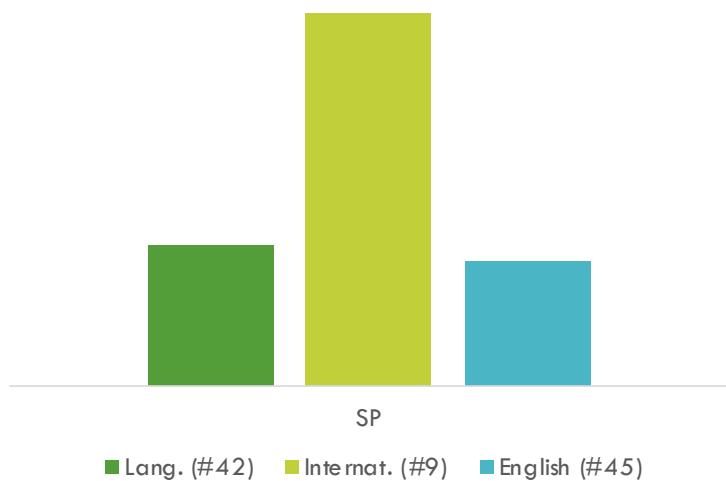

## 4- Discussion: frequencies (keywords)

### Internationalization Plans

- “international” focus
- Adding and improving national and international relations by means of:
  - *agreements, networking, international relations, cooperation, increment of teaching programs, attraction of international students and personnel, or the internationalization of the own campus.*

## 4- Discussion: frequencies (keywords)

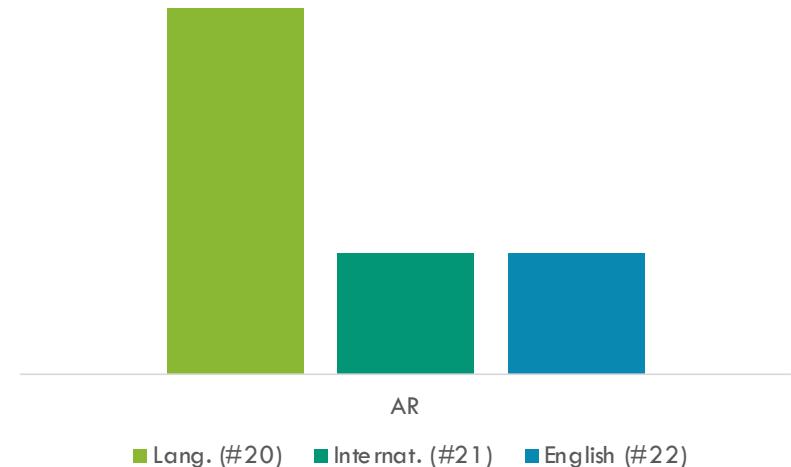

### Strategic Plans

- “university and its functions” focus
- Internationalization & other objectives:
  - *transference of knowledge to society, improvement of the environment, cooperation with other institutions and companies.*
- The strategic plan works as a roadmap where different aspects and objectives of the university’s organization are written down (*management, staff, resources, campus, etc.*)

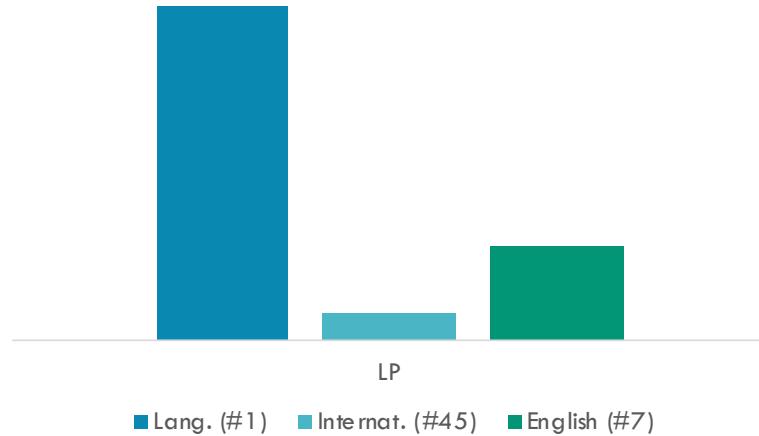

## 4- Discussion: frequencies (keywords)

### Annual Reports

- Description of activities and figures during the academic course.
- Indicators of strategic areas such as:
  - research: *PhD, collaboration, company, meetings;*
  - teaching: *education, study, visit, campus, internship, double;*
  - international: *Erasmus, call, agreement, country, relations.*

## 4- Discussion: frequencies (keywords)

### Language Policies

- “linguistic” focus
  - context of the universities (“multilingual”, “Valencian”, “bilingual” and “idioma”),
  - how they influence/affect the university stakeholders (“student”, “administration” and “PAS”),
  - certain attitudes toward languages (“need”, “act”, or “promote”).
