

PSSOH

Editorial board perspective

On behalf of Editorial board

Nadica Miljković

I am

- Nadica Miljković
- Associate Professor at the University of Belgrade – School of Electrical Engineering
- My main research interest is biomedical engineering, but
- I am also interested in free software (FS), open hardware (OH), and representation of women in FS and OH.
- I am PSSOH Editor together with Prof. Predrag Pejović and Assoc. Prof. Miloš Cvetanović

PSSOH 2019

U Beogradu, oktobra 2019. godine

Our PARTNERS. To mention few!

Complete list at our website: <https://pssoh.etf.bg.ac.rs/>

TRADITION, ALREADY?

PSSOH 2020 in numbers

14 invited speakers

7 Organizational board members

3rd PSSOH

3 Editors

2 Organizational board Chairpersons

2 post-conference workshops

2 sponsors

1 volunteer

1 plenary lecture

1st virtual event

1 collaborative event with another conference

PSSOH at Zenodo in numbers!

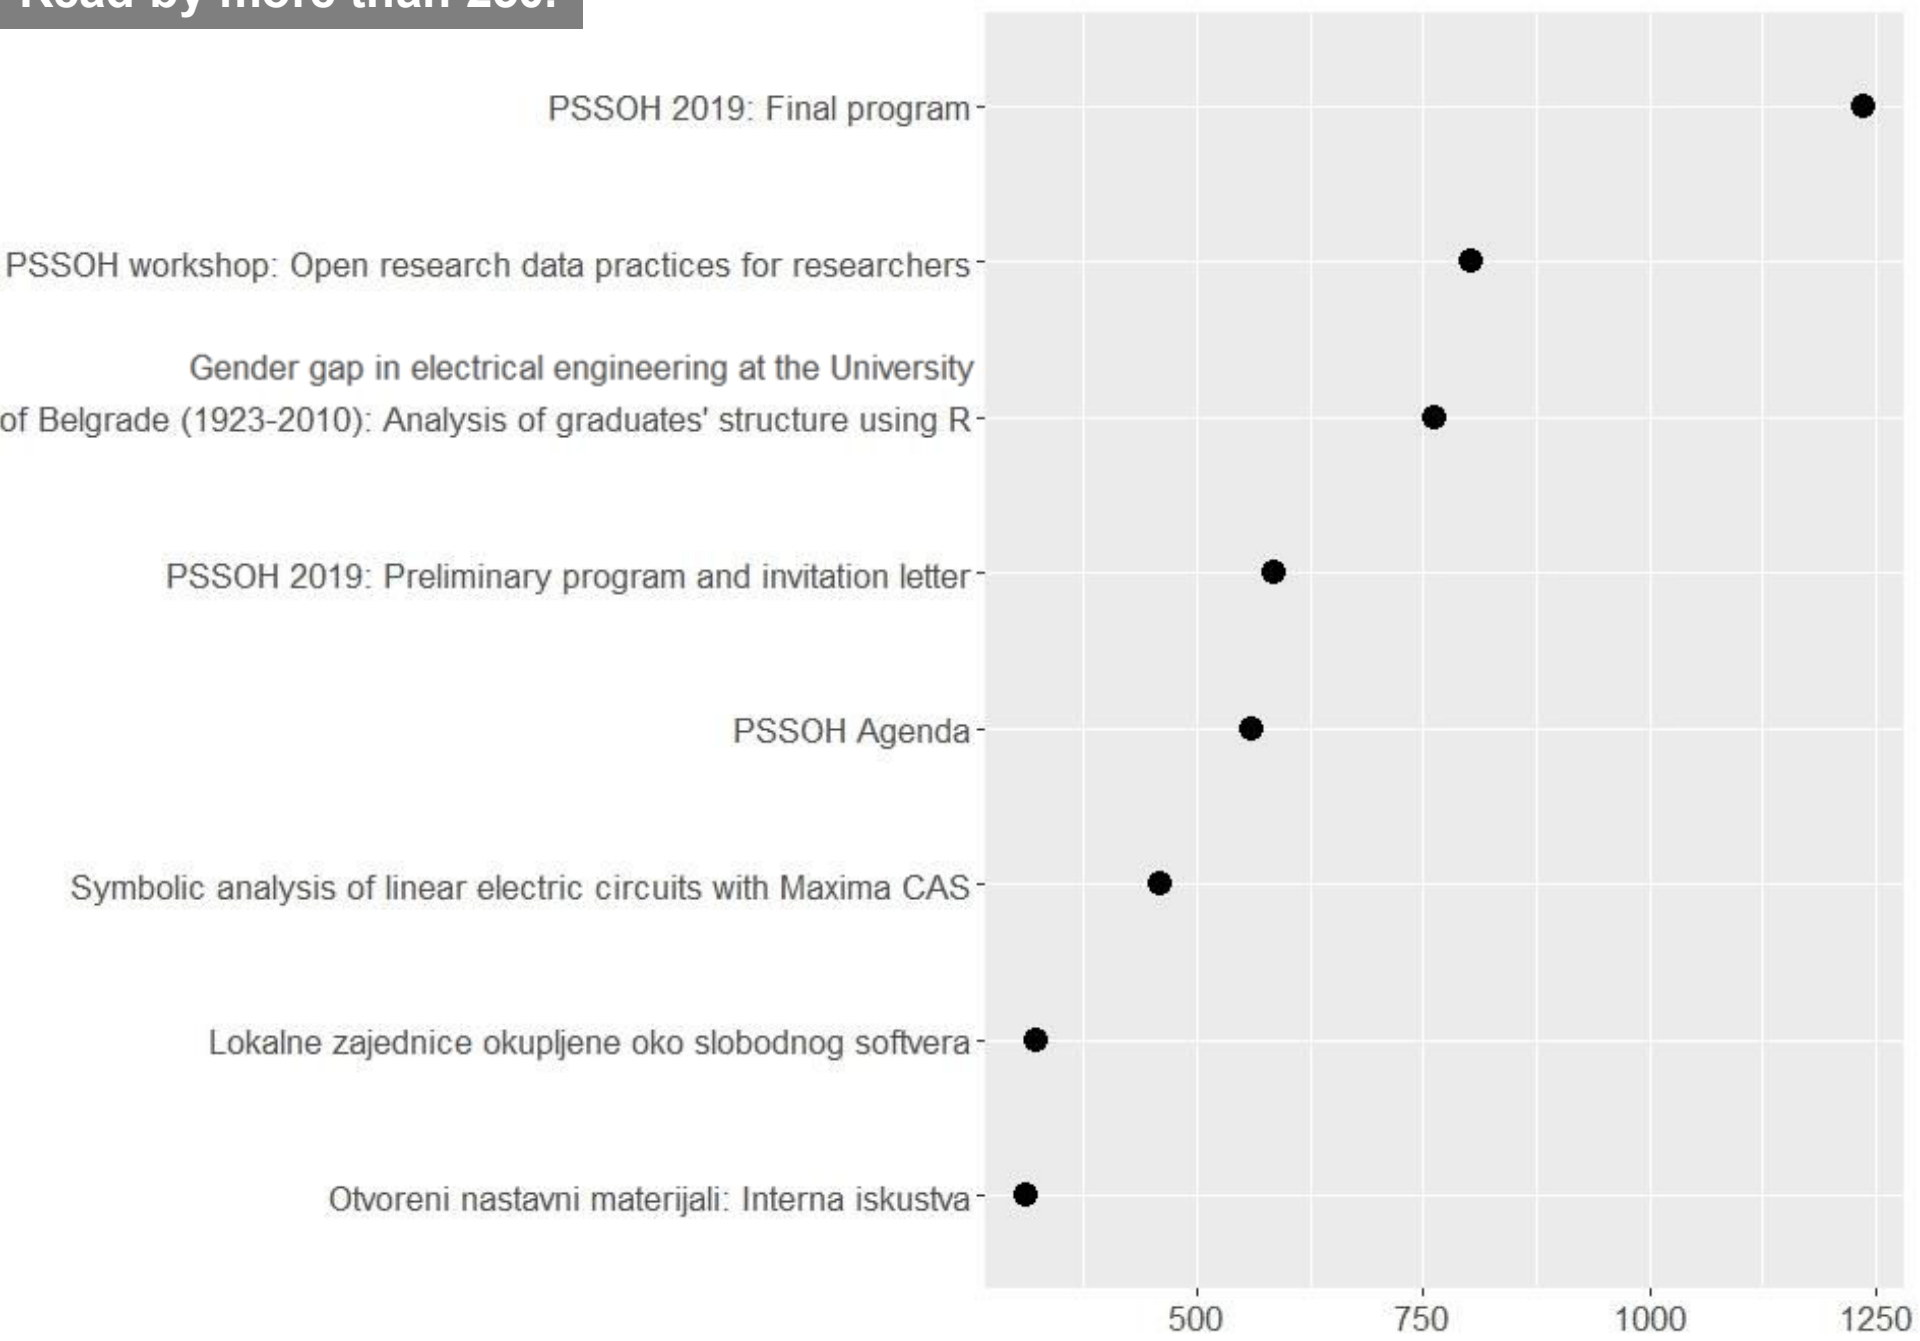

Our abstracts, papers, presentations, and documents have DOI!

Analysis of available materials showed (October 18, 2020):

- The most viewed document is the PSSOH 2019 final program (**1236**)!
- The most viewed workshop is workshop on open research data from PSSOH 2019 (**803**)!
- The most viewed paper is on gender gap at the University of Belgrade from PSSOH 2019 (**763**)!
- It is followed by symbolic analysis in Maxima in PSSOH 2019 (**460**)
- The most viewed paper in Serbian is on local communities around free software in PSSOH 2019 (**323**), followed by open educational resources in PSSOH 2018 (**312**)!

Read by more than 250.

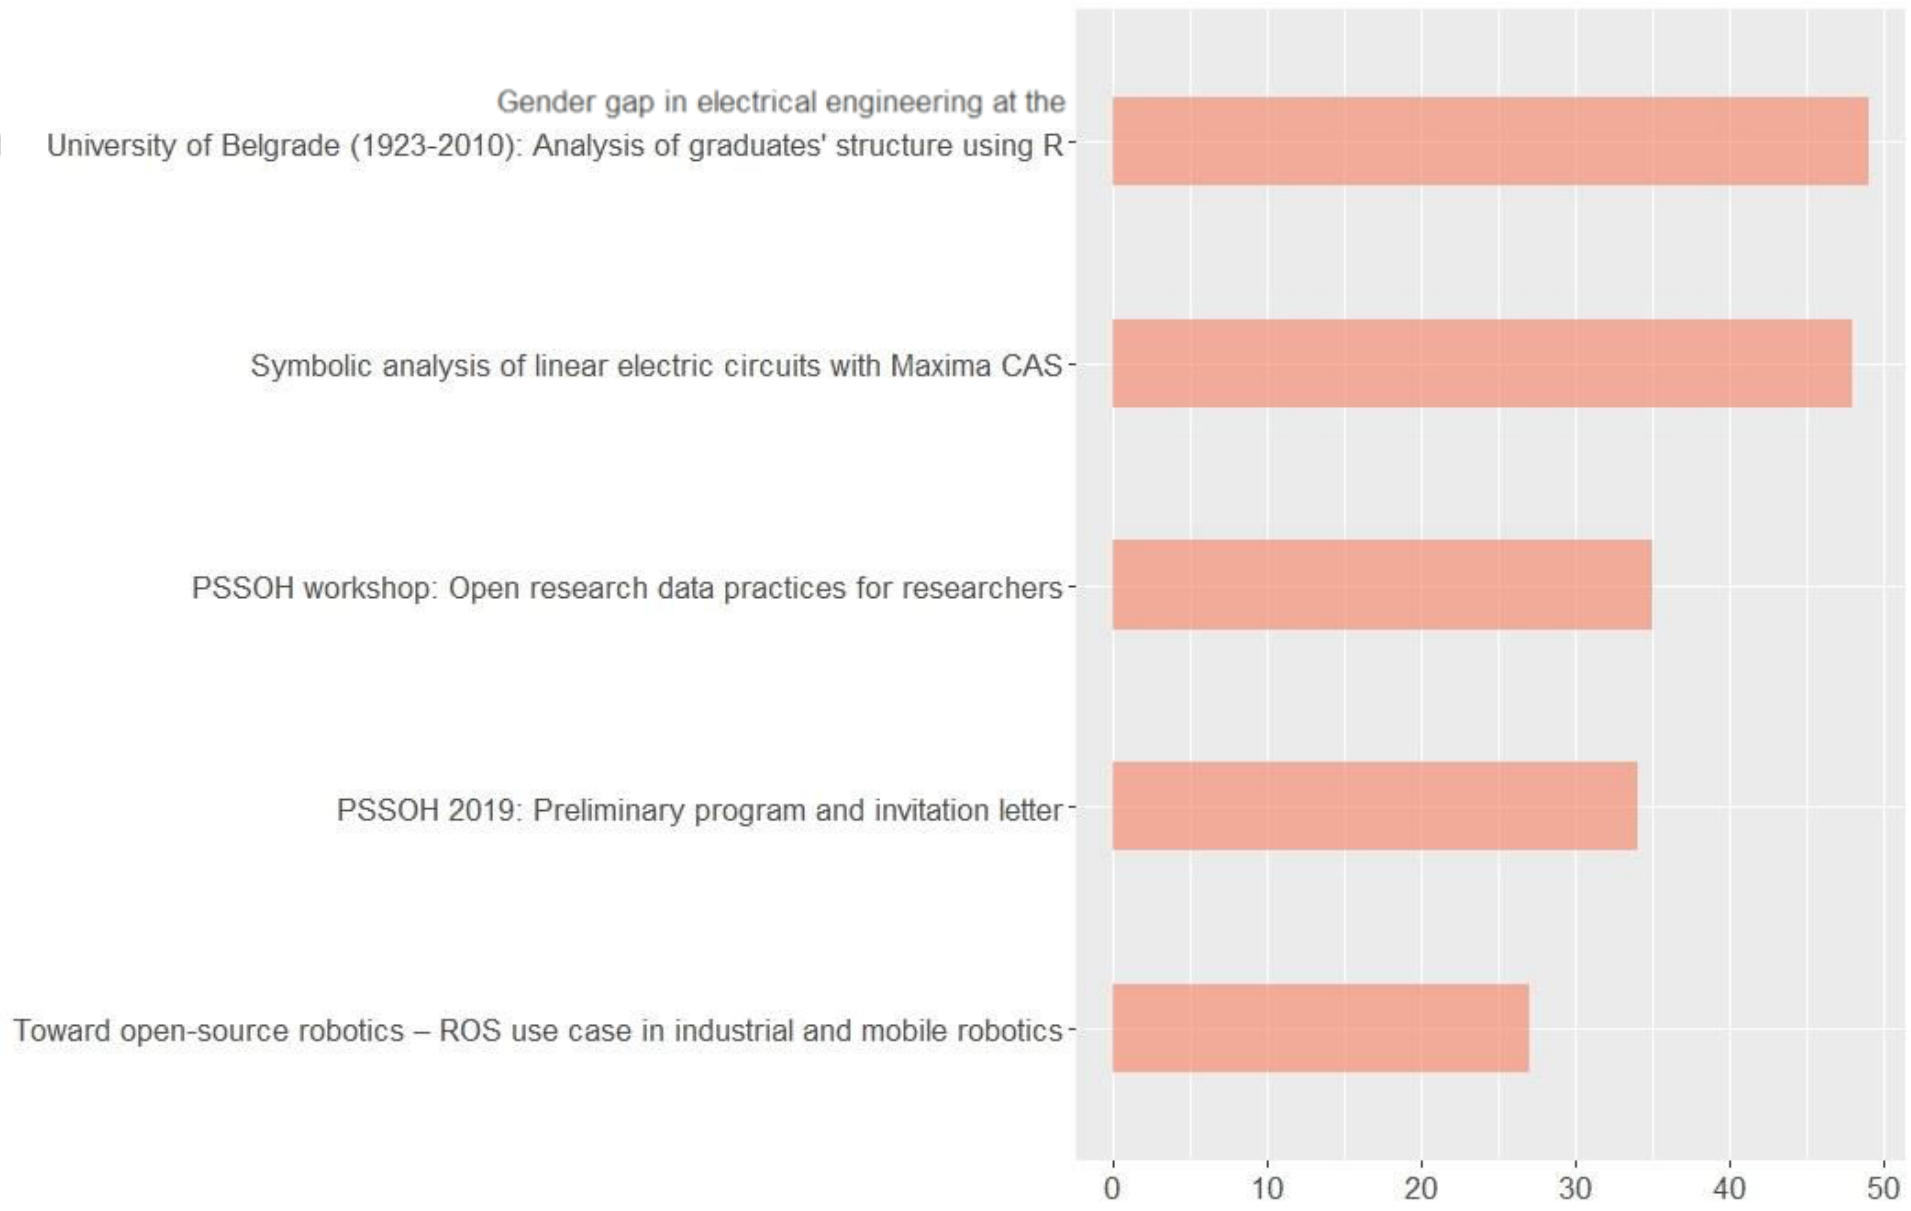

PSSOH at Zenodo in numbers!

Maybe some practical advices for our speakers?

- Papers with presentations were viewed **5555** times compared to papers without shared presentation (**3463**)
- Although on Zenodo for a year longer files from PSSOH 2019 were way more popular than from PSSOH 2018 (**2740** in 2018 and **6278** in 2019)
- We have **10** documents in Serbian and **35** in English.
- On average, Serbian documents were viewed **144.3** times compared to documents in English (**216.43**)

Growth more than 20 views for two months.

Today is not the end!

We have two post-conference workshops!
Go to our site and register!

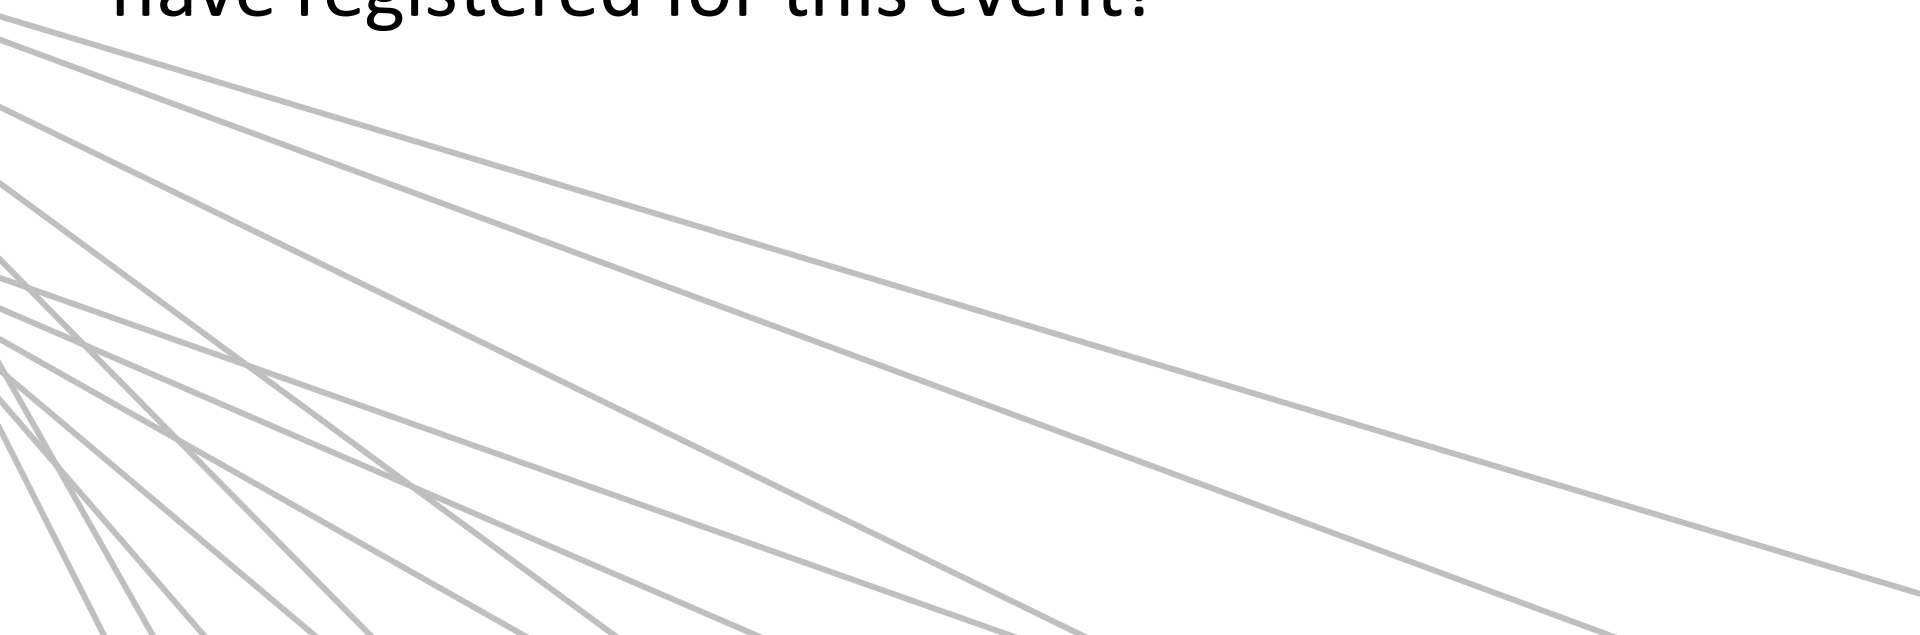

PSSOH post-conference events

DATE & PLACE: October 31, 2020 at the main building of [ETF](#)
TIME ZONE: Belgrade local time (CET)

Time Slot	Presenters	Title
11:00-13:30	Nikola Todorović, Mihajlo Pavlović, Dejan Petković	Linux installation workshop
17:00-19:00	Desiree Željka Milošević, Vanja Stanić	How to assemble Klimerko workshop (in collaboration with Descon)

Acknowledgement

We are grateful to all speakers and authors, to our volunteer, organizational board members, chairpersons at the organizational board, to our supporters, to our partners, and to all of you that have registered for this event!

General housekeeping

- We will keep timing of our Agenda! Sharply!
- The meeting runs on ZOOM (unfortunately)!
- Keep your microphone muted and camera turned off when not speaking (use buttons on the bottom of the ZOOM screen)
- Use Q&A box for questions (we will try to answer as much as possible)
- Use Chat for immediate communication (Hello!)
- The meeting is recorded!
