SSHOC and CoreTrustSeal

Webinar on CoreTrustSeal certification (April 23, 2020)

<https://sshopencloud.eu/news/sshoc-webinar-certification-data-repositories>

“CoreTrustSeal in 2 minutes”

https://youtu.be/ITSMzEH_YjY

The image shows a screenshot of the SSHOC website. At the top, there is a navigation bar with the SSHOC logo and links for 'About' and 'Training'. Below this, a section titled 'Webinar Recordings' features a video player with a thumbnail for an SSHOC webinar. The thumbnail text reads: 'SSHOC WEBINAR How to improve the quality of your repository? Steps and certification of repositories'. Below the video player, there is a link to 'Link to webinar slides' and a paragraph of text: 'For more information about certification of Trustworthy Digital Repositories, see the deliverable 08.2 Certification plan for SSHOC repositories.' Below the website screenshot is a YouTube video player showing a video titled 'CoreTrustSeal in 2 minutes'. The video content displays a grid of 16 orange icons on a dark background, representing the requirements for CoreTrustSeal certification. The video player interface includes a search bar with the text 'dans knew' and a play button. The video title 'CoreTrustSeal in 2 minutes' is visible at the bottom of the player.
