Scaling Small (WP4)

- Horizontal cooperative knowledge sharing

- Mutual reliance and interdependence

- Commoning of meta communities

Moore, Sam "Scaling Small: New Forms of Collectivity for Resilient Open Access." OASPA presentation recording, 9/22/20.

Adema and Moore, "Scaling Small; Or How to Envision New Relationships for Knowledge," *Westminster Papers in Communication and Culture* (expected publication December 2020).

Horizontal and Cooperative Knowledge Sharing

Alliances between independent projects within and across sectors:

- Invest in Open Infrastructure

- Knowledge Futures Group

- OASPA

- OPERAS

- LIBER

- Next Generation Libraries Project

- The British Library

- Open Access Books Network

Stakeholder Workshops

To inform the development of the systems, case studies, governance models, best practices, and toolkits to be developed in years 2-3
