Process

The screenshot shows the homepage of the Amnesia project. In the top left corner is the Amnesia logo, which consists of a stylized blue and white icon above the word "amnesia". In the top right corner, there is a navigation menu with the links "ABOUT", "DOWNLOAD", "CONTACT", and "ONLINE VERSION" (the last one is highlighted in a blue button). The main heading is "High accuracy Data Anonymization.", where "Data" is in a larger blue font. Below the heading is a sub-heading: "Perform research and share your results that satisfy GDPR guidelines by using data anonymization algorithms." At the bottom left of the main content area is a dark blue button with the text "GET STARTED". On the right side of the page, there is a light blue illustration of a person wearing a hat and glasses, sitting on a bench and reading a newspaper, with a city skyline in the background.

The screenshot shows the Zenodo homepage. At the top is a blue navigation bar with the Zenodo logo, a search bar, and links for 'Upload' and 'Communities'. A user profile for 'elli.libd@gmail.com' is visible in the top right. Below the navigation bar is a section titled 'Featured communities'. The first featured community is the 'National COVID Cohort Collaborative (N3C)'. It includes a logo, a description: 'The National COVID Cohort Collaborative (N3C) is a complementary and synergistic partnership among the Clinical and Translational Science Awards (CTSA) Program hubs, the National Center for Data to Health (CD2H), distributed clinical data networks (PCORnet, OHDSI, ACT/i2b2, TriNetX), and other...', and is curated by 'mcmurryj'. There are 'Browse' and 'New upload' buttons for this community. A link 'Need help uploading? Contact us' is also present.

The screenshot shows the Sherpa Romeo website. At the top, there is a green navigation bar with the following links: About, Search, Statistics, Help, Support Us, Contact, and Admin. Below the navigation bar, the text reads "Welcome to Sherpa Romeo". A paragraph follows: "Sherpa Romeo is an online resource that aggregates and analyses publisher open access policies from around the world and provides summaries of publisher copyright and open access archiving policies on a journal-by-journal basis." Below this, it says "Enter a journal title or issn, or a publisher name below:". There are two input fields: "Journal Title or ISSN" and "Publisher Name". Below the input fields, there are two buttons: "Browse by Country" and "Browse by".

- Find a paper you wrote and check if and how it meets OA requirements

The screenshot shows the DOAJ website interface. At the top, there is a navigation bar with 'DOAJ' on the left, 'SUPPORT' with a heart icon and a dropdown arrow, and 'APPLY' with a dropdown arrow. Below this is a secondary navigation bar with 'SEARCH', 'DOCUMENTATION', 'ABOUT', and 'MY ACCOUNT', each with a dropdown arrow. The main content area features the text 'THE DIRECTORY OF OPEN ACCESS JOURNALS' and 'Find open access journals & articles.' Below this, there are radio buttons for 'Journals' (selected) and 'Articles'. A search bar contains the text 'ACM' and a dropdown menu set to 'In all fields'. A red 'SEARCH' button is to the right of the search bar. Below the search bar, there are three statistics: '80 LANGUAGES', '123 COUNTRIES REPRESENTED', and '11,5 JOURNALS WITH...'. A red callout box is overlaid on the right side of the screenshot, containing a bullet point: 'Find an OA journal to publish your research'.

- Find an OA journal to publish your research

Plan

Plan and follow your data

Create machine actionable
Configure to best fit your data
Link to EOSC components
Share easily in your repository

Bring your Data Management Plans closer to your data as they are generated, analysed and stored.

Start your DMP

- Start a DMP and share it with a colleague
- Complete a section of the CHIST-ERA template
- Describe the dataset you found in **EXPLORE**

<https://argos.openaire.eu/splash/>

Thank you!
