CURATE The Digital Curator Game

Copyright © 2011 DigCurV

This project has been funded with support from the European Commission

Start

Your organisation receives a funding cut and senior managers question the costs of digital preservation.

Go back one space

DANGER
You've fallen into the Digital Curator Gap!

The content you've archived is available for re-use in a new exhibition.

Take a DigCurV card!

The next phase project team wants to collaborate.

Go to START and move your token to the next stage of the Lifecycle

As a result of staff changes, no one is qualified to maintain your archive. A mistake causes the system to crash!

Work late and lose your next turn

Go to START
and move your token to the next stage of the Lifecycle

Your content has been archived for long term preservation!

CAUTION
Mind the Digital Curator Gap!

Your contract comes to an end and you start looking for a new position.

Go back one space

Funding becomes available to maintain the website and curate the digital content.

Take a DigCurV card!

Changes in service provider and new technology mean your website is no longer available.

Find a new provider and lose your next turn

Industrial partner comes in.

Take a DigCurV card!

CAUTION
Mind the Digital Curator Gap!
