## #WednesdayRead

We have developed a new type of communication content to share who we are and what we do at InnoRenew CoE.

Each Wednesday, we post longer articles on our webpage and social media under #WednesdayRead.

Visit the [News](#) tab to read the #WednesdayRead series.

### CROSS-SECTION

Long-form articles focused on InnoRenew CoE research and events

### OTHERS ABOUT US

Interesting articles about InnoRenew CoE that were published in other media

### INNORENEW IN PERSON

In-depth interviews with InnoRenew CoE employees and visiting researchers

## New open access journal

We are pleased to announce [Interdisciplinary Perspectives on the Built Environment](#) (IPBE), a new open access, peer-reviewed journal published by InnoRenew CoE. IPBE's call for papers is ongoing, and you are invited to submit a manuscript.

[Submit a manuscript](#)

Please visit us on [Facebook](#), [Twitter](#), [LinkedIn](#), or [Research Gate](#) for regular updates. We encourage you to contact us directly if you have any questions or want additional information about our research institute.

Thank you,

InnoRenew CoE
