

Interested in linear
relationship?

```
graph TD; A[Interested in linear relationship?] -- Yes --> B[ ]; A -- No --> C[ ]; D[One] --> A;
```

A flowchart starting with a yellow rectangular box containing the text "Interested in linear relationship?". From the bottom-left corner of the box, a curved arrow labeled "Yes" points down and to the left. From the bottom-right corner of the box, a straight arrow labeled "No" points straight down. A curved arrow labeled "One" enters the top-right corner of the box from the top right.

One

Yes

No
