Electrical & Computer Engineering: An International Journal (ECIJ)

ISSN:2201-5957

Call for papers

Electrical & Computer Engineering: An International Journal (ECIJ) is a peer-reviewed, open access journal that address the impacts and challenges of Electrical and Computer Engineering. The journal documents practical and theoretical results which make a fundamentalcontribution for the development Electrical and Computer Engineering.

Topics of interest include, but are not limited to, the following

- Communications and Networks
- Control, Intelligent Systems and Robotics
- Integrated Circuits and Embedded Systems
- Microelectronic Technologies, Devices, CAD and, VLSI
- Microwave, Nano Devices and RF
- Power and Energy Systems
- Signal Processing and New Media
- Applied Electromagnetics
- Artificial Intelligence and Artificial Life
- Hardware Formal Verification
- Photonics
- Software Engineering and Real-time Systems

Paper Submission

Authors are invited to submit papers for this journal through E-mail:**ecijjournal@wireilla.com**or through
Submission System. Submissions must be original and should not have been publishedpreviously or be under consideration for publication while being evaluated for thisJournal.

Important Dates

- **Submission Deadline: February 20, 2021**
- Notification: March 20, 2021
- Final Manuscript Due: March 28, 2021
- Publication Date: Determined by the Editor-in-Chief

Here's where you can reach us: **ecijjournal@wireilla.com**or **ecijjournal@yahoo.com**
