

**KTH Computer Science  
and Communication**

## EULA - End User License Agreement “KTH Chinese Whispers Corpus”

Version 1.0 – 21<sup>st</sup> of February 2020.

By signing this document the user, intended as who will make use of the corpus, agrees to the following terms. All data contained within the dataset have been collected and processed in accordance with the laws applicable in Sweden.

### ***1. Commercial use***

The user may not use the corpus for any commercial purpose. Commercial purposes include, but are not limited to:

- proving the efficiency of commercial systems,
- testing commercial systems,
- using screenshots of subjects from the corpus in advertisements,
- selling data from the corpus,
- broadcasting data from the corpus

### ***2. Distribution***

The user may not distribute or broadcast the corpus in any way. Small portions (i.e.: screenshots) may be distributed in publications as long as the publication complies with the terms stated in this EULA (article 4).

The user will forward all requests for copies of the corpus to the KTH Chinese Whispers corpus administrators at: [diko@kth.se](mailto:diko@kth.se) and [jocke@speech.kth.se](mailto:jocke@speech.kth.se).

### ***3. Access***

The user may only use the corpus after this EULA has been signed and returned to the “KTH Division of Speech, Music and Hearing” - Stockholm – Sweden. The user must return the signed and dated EULA by email, in PDF format at: [diko@kth.se](mailto:diko@kth.se) and [jocke@speech.kth.se](mailto:jocke@speech.kth.se).

Access is limited to the user signing this EULA form. The user may not grant anyone access to the corpus.

### ***4. Publications***

Publications include not only research papers, but also presentations for conferences or educational purposes. All documents and research papers that report on research that use the KTH Chinese Whispers corpus will acknowledge this as follows: "(Portions of) the research in this paper use the KTH Chinese Whispers corpus", and a citation to:

Kontogiorgos, D., Sibirtseva, E., & Gustafson, J. (2020). Chinese Whispers: A Multimodal Dataset for Embodied Language Grounding. In *International Conference on Language Resources and Evaluation (LREC) 2020*. Marseille, France.

The user will send an electronic copy of all papers that reference the database to [diko@kth.se](mailto:diko@kth.se) and [jocke@speech.kth.se](mailto:jocke@speech.kth.se).

## 5. Research

The user may only use the database for scientific research.

## 6. Changes

KTH division of Speech, Music and Hearing is allowed to change this EULA at any time; users will be informed about changes beforehand and given the choice to opt out of the new EULA. Opting out will render the previous EULA void.

## 7. Warranty

The corpus comes without any warranty, KTH division of Speech, Music and Hearing can not be held accountable for any damage (physical, financial or otherwise) caused by the use of the corpus. KTH division of Speech, Music and Hearing will try to prevent any damage by keeping the database virus free.
