The DARIAH ELDAH consent form wizard (CFW)

- project implemented in 2020-2021
- co-funded by DARIAH-EU, CLARIAH-AT and DARIAH-HR

What is the CFW?

An intuitive tool that enables DH scholars & the research infrastructure community to quickly and easily obtain standardized consent forms that conform to the GDPR.

CFW Scenarios

- gathering data from and/or about living people for research purposes

- communicating through mailing lists or other (digital) communication media

- gathering data and/or consent from participants as the host of an academic event

What are you planning to do?

○ Gather data from and/or about living people for research purposes

○ Communicate through mailinglists or other (digital) communication media

○ Gather data and/or consent from participants as the host of an academic event

CFW Tool

What types of data do you collect from the participants?

Please be aware that the GDPR requires you to minimize the personal data collected to only what is absolutely necessary for the purpose you are pursuing. Please do not collect data you don't need just because you feel a need for completion.

Generic data categories

☐ Name, surname

☐ IP address
