Transforming Research Through Innovative Practices for Linked Interdisciplinary Exploration

- The GoTriple discovery platform
 - **innovative, multilingual and multicultural**
 - dedicated to the **SSH**
 - a single access point to **explore, find, access and reuse materials** at European scale.
 - one of the dedicated services of OPERAS
 - an SSH service of EOSC

TRIPLE Training on OS and the EOOSC

- Why?
 - Need for increased **skills in Open Science practices** and workflows
 - Need to build a shared understanding of the **latest European Open Science advancements**
 - Need to establish **common practices**
- How

Trainings and guidelines on Open Science and the EOOSC

Provide support to TRIPLE members on Open Science and the EOOSC

Engage new audiences in TRIPLE events

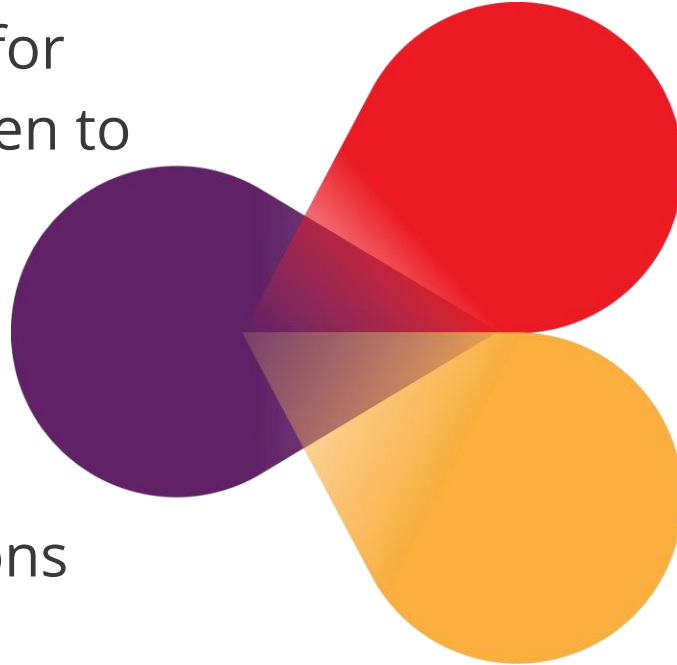

Produce FAIR training materials

Targeted trainings

 TRIPLE trainings fit for partners' needs (open to the public)

 Services and solutions for the community

In collaboration with

HOW?

Activities

Online training

Guidelines and training material

Collaboration with research institutions and training communities

Results

WHAT?

5 training sessions in 2021
2 other in preparation

275 researchers trained

5 Training resources hosted on DARIAH Campus (ongoing)

1 Guidelines to produce FAIR materials (ongoing)
