

## about the notebooks

- unpublished; basis for the works and 'journals' •
  - Handke's most important tool •
  - used to collect perceptions, •
  - material, ideas & as travel journals •
  - independent works of art •

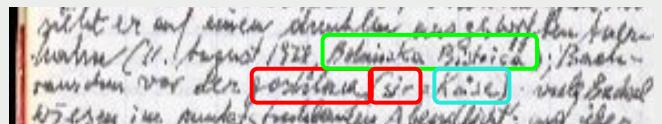

# encoding multilingualism

```
<foreign xml:lang="lang1" xml:id="foreign1">  
text in a language other than German </foreign>  
anslation synonym ..." xml:lang="lang2"  
n1">text with a relationship to the text that  
n</gloss> <!-- ask me why! -->
```

## types of multilingualism manifestations

## use of foreign terms in German text

PLA-A: Handke, NB 015, p. 128
