

Pannon Business Network

Aiming at Sustainable Impact Beyond Organizational Limit

Balázs Barta
barta@pbn.hu

Added Value Growth

Western Hungary

Advanced
Management &
Technologies

Added value

Focus on holistic
competitiveness

Integration

Multidisciplinary
team – engineers,
economist, doctors

In-house competency

Own technical
equipment, full-time
employees

ROBOTICS

Collaborative robotics
Mobile robotics
Drone
Industrial robotics

EXTENDED REALITY

3D Animation
AR applications
Maintenance & Service functions

DATA SCIENCE / AI

ML/AI algorithms
Segmentation/Classification
Data access and visualization

3D Technologies

3Dprinting
3Dscanning, reverse engineering
Prototype development

30
staff members
450+
international partners
75+
international R&D,
partnership projects
No1
Digital Innovation Hub
in Europe - 2020

Motivation for Co-operation – Impact Beyond Limits

Local

Build ecosystem to
impact territorial
strategy

National

Bring additional
competencies
and companies

International

Connect with
European centers
of excellence

Local Ecosystem Building - 10-year Strategy

Municipality of Szombathely

Health Science Institute of Uni Pécs

Technical University of Óbuda

Chamber of Commerce and Industry

University of ELTE Savaria Center

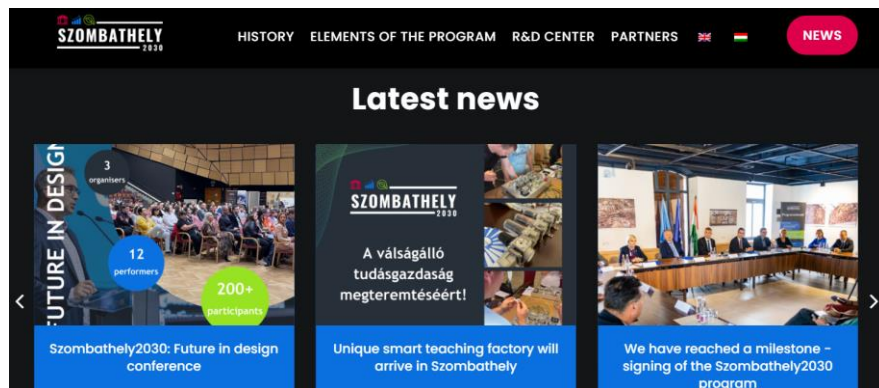

Scientific Association of Engineers

Pannon Business Network

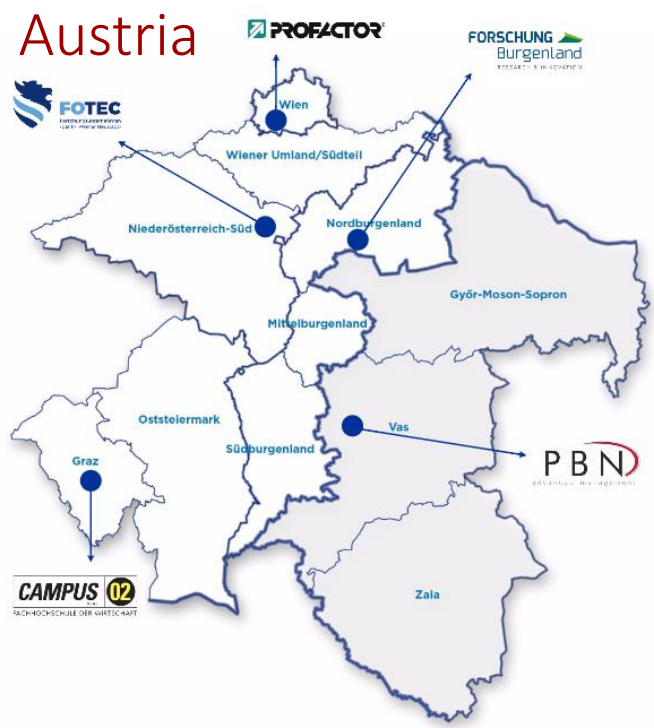

Institute for Transport Sciences

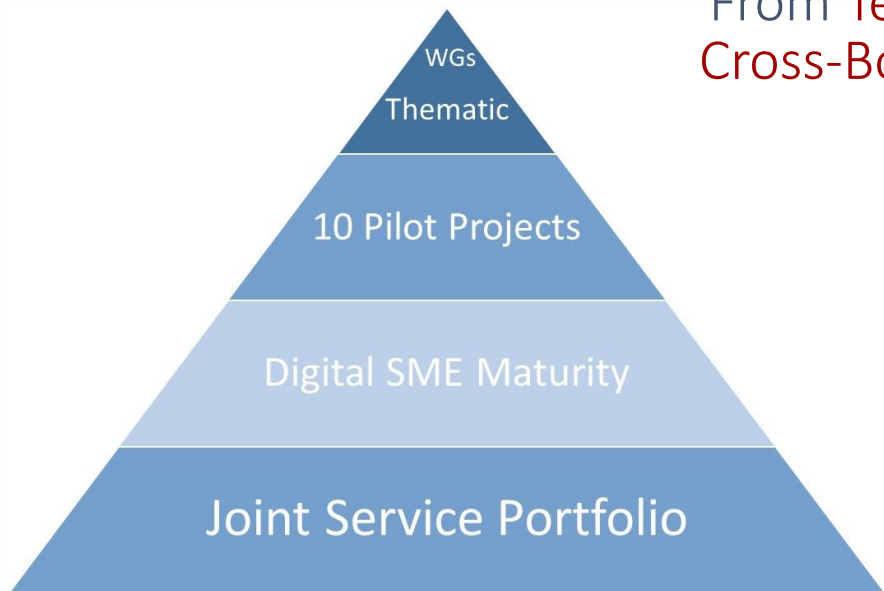

R & D & I institutions	Test before invest environment	Skills development	Start-ups and FDI
Doctoral School - Manufacturing and Health	EIT Cross-KIC testing infrastructure	Accreditation of new education in rehabilitation	Science and Technology Park title
Robotics and A.I. centre establishment	Test lab for medical diagnostics	Launch of international joint degree diploma	Mapping of rehabilitation manufacturers
Austrian, German research institute co-operation	Intelligent senior room/home building	Start of health-sector engineer education	Screening of rehabilitation cream producers
US ecosystem development cooperation	Involvement of senior households & elderly homes	Vocational training re-orientation	Involvement of relevant venture funds
Launching individual R & D projects	Mobilization of thermal / tourism operators	Digital Health Twinning Programme	Facilitating local start-ups and companies

International Ecosystem Building – Cross-Border DIH Network

From Teaching and Learning Factory to Cross-Border Thematic Working Groups

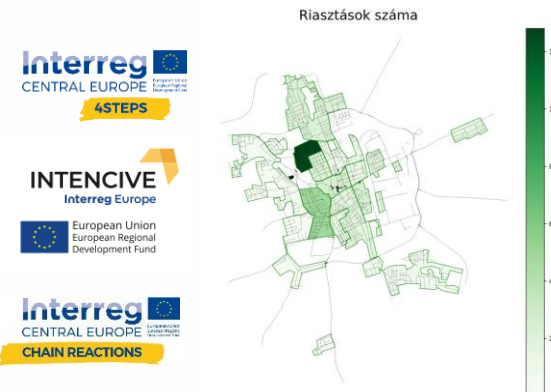

Hungary

Impacting beyond Manufacturing – Smart Care Digitalization

- 65+ population: 20% in 2020, 25% in 2030, 33% in 2045
- 25% can't leave his/her home at all
- 6% of the seniors move out daily
- 2% of dementia-affected are taken care by care system

Research and Training Facility for Care Products Development – robots, sensors, apps, data
