Unit 5 - Snippet 119

Exploratory activity – Perspectives (continued)

Have you used your reading skills that you learned in unit 2 when reading the blog in the previous snippet? Once you have comprehended Ngozi's perspective about community changes due to the Covid-19 situation, answer the following questions:

- What major concerns of the author can you identify? Note down which concern(s) do you sympathize with the most, and why. Compare Ngozi's perspective when describing the consequences of Covid-19 with your own. Could this explain why you sympathize with some concerns more strongly than with others?
- What does Ngozi argue or advocate for? Note down which argument(s) stand out for you as the most convincing. Why do you find those arguments most convincing?
