Material for Higher Education students in Sierra Leone by INASP, UK

within the project AQHEd-SL

Unit 1 - Snippet 15

Exploratory activity - Thinking about questions

Go back to the previous critical thinking snippets that you received and note down at least five questions you can find in the text.

For example: What does critical thinking mean?

Reflective activity – Your questions

Note down two further questions **you** would like to ask about critical thinking. What is the purpose of your questions – why would you like to ask these questions? You may find it interesting to discuss your questions with your fellow students.
