Unit 2 - Snippet 48

Practical activity – Graphic organizer (2)

Below is a graphic organizer for a 'Concept-definition' text. Take the 'Photosynthesis' text that we sent with snippet 37 and try to complete this graphic organizer.

Please feel free to discuss with your fellow students how they are going to do that. You will also receive a sample solution with the following snippet. But don't cheat and try to complete the graphic organizer first on your own so that you don't miss out on this learning opportunity.
