Unit 3 - Snippet 85

Reflective activity – What have I learned?

Reflect on your learning in this unit. Go over your notes that you made for this unit and then answer the questions below:

- How would you describe your learning experience?
- Did you find the tasks easy or difficult or just right? Which were more challenging?
- What are the three most important things you now know and which you did not know at the beginning of this unit?
- How do you expect your new learning to impact how you read or hear information in the future?

Prepare questions or issues that you would like to clarify or discuss with your friends or in your class.
