

ACKNOWLEDGMENT OF REVIEWERS

The editors of the *Journal of International Students* would like to acknowledge and thank the contribution of the following reviewers in 2016/2017. We assign each JIS manuscript to at least three reviewers and we count on the informed judgment of our reviewers to make the highest quality research available to the public. Your time, energy and commitment to the journal are important in deciding whether to accept a manuscript for publication. We deeply appreciate your generous contribution to the journal.
