

Variable code	Variable type	Description	Question in interview protocol
HH_ID	alphanumeric code	Unique identifier for the respondent (household)	ID
Site	integer code (1=Beanana; 2=Morafeno; 3=Fizono; 4=Mahalevona)	Fokontany where the interview takes place	Site
Sex	integer code (0=Woman; 1= Man)	Sex of the respondent	Sex
Orinary	integer code (0=No; 1= Yes)	Was the respondent born in the village?	1.a.1
Years_here	non-negative integer (years)	If not born in this village, how many years has the respondent lived in the village?	1.a.3
Reason_for_coming	integer code (1=Marriage; 2=Search for money; 3=Search for land; 4=Exploitation of precious stones; 5=Came to be healed; 6=Came with relative)	Reason for the respondent moving to the current village	1.a.4
Age	non-negative integer (years)	Age of the respondent	1.b
Main_occupation	integer code (see codebook)	Main occupation of the respondent	1.c
Function_in_the_village	integer code (0=No; 1= Yes; 2=Before; 3= Unclear answer)	Does the respondent have any special function in the village?	1.d.1a
HH_members	non-negative integer	How many members does the household currently have?	1.e
Working_HH_members	non-negative integer	How many of the current household members contributes to the	1.f
HH_members_left_HH	non-negative integer	How many members of the household left it already, if any?	1.g.1.a
HH_members_left_village	non-negative integer	How many members of the household left the village already, if any?	1.g.1.b
Contributing_absent_members	non-negative integer	How many of the absent household members contribute with labour to the household, if any?	1.g.2
Main_activity_1	integer code (see codebook)	What is the first most important economic activity of the household?	2.a.1
Main_activity_2	integer code (see codebook)	What is the second most important economic activity of the household?	2.a.2
Main_activity_3	integer code (see codebook)	What is the third most important economic activity of the household?	2.a.3
Vanilla_present	integer code (0=No; 1= Yes)	Does the household practice vanilla cultivation at present time?	2.a.4
Clove_present	integer code (0=No; 1= Yes)	Does the household practice vanilla cultivation at present time?	2.a.5
Shift_Cult_present	integer code (0=No; 1= Yes)	Does the household practice shifting cultivation at present time?	2.b.1.a
Shift_Cult_past	integer code (0=No; 1= Yes)	Did the household practice shifting cultivation in the past?	2.b.1.b
Paddy_present	integer code (0=No; 1= Yes)	Does the household practice irrigated rice cultivation at present time?	2.b.2.a
Paddy_past	integer code (0=No; 1= Yes)	Did the household practice irrigated rice cultivation in the past?	2.b.2.b
Main_rice_type	integer code (0=Shifting cultivation; 1= Irrigated rice; 2=None; 3=Shifting cultivation and irrigated rice same importance)	What is the main rice cultivation type of the household, in terms of total annual production?	2.b.3
Gathering_in_agroforest	integer code (0=No; 1=Yes; 2= No agroforest available)	Are the agroforest plots of the household important for collecting products other than the crops you grown there?	2.c.1.a

Gathering_in_fallow	integer code (0=No; 1=Yes; 2= No fallow available; 3=Only if we plant something after the rice harvest)	Are the fallow plots of the household important for collecting products other than the rice you grow there?	2.c.1.b
Additional_Income_1	integer code (see codebook)	First household income source in addition to any of those indicated as main activity (in 2.a.1; 2.a.2; 2.a.3)	2.d.1a
Additional_Income_2	integer code (see codebook)	Second household income source in addition to cash crops	2.d.1b
Additional_Income_3	integer code (see codebook)	Third household income source in addition to any of those indicated as main activity (in 2.a.1; 2.a.2; 2.a.3)	2.d.1c
Additional_Income_4	integer code (see codebook)	Fourth household income source in addition to any of those indicated as main activity (in 2.a.1; 2.a.2; 2.a.3)	2.d.1d
Additional_Income_5	integer code (see codebook)	Fifth household income source in addition to cash crops	2.d.1e
Uses_hired_labour	integer code (see codebook)	Does the household employ hired labour?	2.d.2
Household_economic_activities	Qualitative response (not included in dataset)	Have the household activities changed in the last 20 years (or since the household was formed)? If so, what were the causes and what are the consequences?	2.e.1.a
Owned_zebu	integer code (0=No; 1=Yes; 2= In the past; 3=Zebu bought and sold, but not kept by the household)	Does the household own zebu?	2.e.1.b
Zebu_number	non-negative integer	How many zebu does the household own at present, if any?	2.e.1.c
Satisfaction_with_land_for_children	integer code (0=No; 1=Yes; 2=Other; 3=Unclear answer)	Is the respondent satisfied with the amount of land (including forest) the household has for leaving to the children?	2.f.1
Reason_no_satisfaction_land_1	integer code (see codebook)	First reason for not being satisfied with the amount of land available in the household for the children	2.f.2a
Reason_no_satisfaction_land_2	integer code (see codebook)	Second reason for not being satisfied with the amount of land available in the household for the children	2.f.2b
Satisfaction_livelihood_alternatives	integer code (0=No; 1=Yes; 2=Mixed)	Is the respondent satisfied with the livelihood opportunities and alternatives available?	2.g.1
Reason_no_satisfaction_livelihood_alternatives_1	integer code (see codebook)	First reason for not being satisfied with the livelihood opportunities and alternatives available	2.g.2a
Reason_no_satisfaction_livelihood_alternatives_2	integer code (see codebook)	Second reason for not being satisfied with the livelihood opportunities and alternatives available	2.g.2b
Significance_of_land	integer code (0=No; 1=Yes; 2=Unclear answer)	Does the respondent consider that the land the household has has significance besides being the basis for agricultural activities?	2.h.1.a
Reason_significance_land_1	integer code (see codebook)	First reason for significance of land besides basis for agricultural activities	2.h.2a
Reason_significance_land_2	integer code (see codebook)	Second reason for significance of land besides basis for agricultural activities	2.h.2b
Reason_significance_land_3	integer code (see codebook)	Third reason for significance of land besides basis for agricultural activities	2.h.2c
Sufficiency_of_income	integer code (0=No; 1=Yes; 2=Mixed)	Does the respondent consider the household has sufficient income for the expenses it has?	3.a.1
Avoided_expenses_if_needed_1	integer code (see codebook)	First expense the respondent avoids in the case it is needed	3.a.2.a
Avoided_expenses_if_needed_2	integer code (see codebook)	Second expense the respondent avoids in the case it is needed	3.a.2.b
Avoided_expenses_if_needed_3	integer code (see codebook)	Third expense the respondent avoids in the case it is needed	3.a.2.c
Additional_expenses_if_possible_1	integer code (see codebook)	First additional expense in the case the respondent can afford it	3.a.3.a
Additional_expenses_if_possible_2	integer code (see codebook)	Second additional expense in the case the respondent can afford it	3.a.3.b

Additional_expenses_if_possible_3	integer code (see codebook)	Third additional expense in the case the respondent can afford it	3.a.3.c
Additional_expenses_if_possible_4	integer code (see codebook)	Fourth additional expense in the case the respondent can afford it	3.a.3.d
Additional_expenses_if_possible_5	integer code (see codebook)	Fifth additional expense in the case the respondent can afford it	3.a.3.e
Rice_sufficiency	integer code (0=No; 1=Yes)	Is the household self-sufficient in rice (if produces rice to cover at least 12 months of household consumption a year=yes)	3.b.1
Months_sufficiency_rice	non-negative integer	Months a year the household gets to consume its own rice	3.b.2a
Gets_to_buy_rice_for_missing_months	integer code (0=No; 1=Yes; 2=Mixed)	Can the household afford buying rice for the months it doesn't produce enough?	3.b.2.b
Change_in_income_expenses_balance	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=Unclear answer)	Did the household's income-expenses balance change positively or negatively in the last 20 years?	3.c.1a
Reason_positive_change_income_1	integer code (see codebook)	First reason for positive change in income-expenses balance	3.c.1b.1a
Reason_positive_change_income_2	integer code (see codebook)	Second reason for positive change in income-expenses balance	3.c.1b.1b
Reason_negative_change_income_1	integer code (see codebook)	First reason for negative change in income-expenses balance	3.c.1b.2a
Reason_negative_change_income_2	integer code (see codebook)	Second reason for negative change in income-expenses balance	3.c.1b.2b
Change_in_rice_sufficiency	integer code (0=Negative; 1=Positive; 2=No change; 3=Unclear answer)	Did the household's rice self-sufficiency situation change positively or negatively in the last 20 years?	3.c.2a
Reason_positive_change_rice_1	integer code (see codebook)	First reason for positive change in household's rice self-sufficiency situation	3.c.2b.1
Reason_positive_change_rice_2	integer code (see codebook)	Second reason for positive change in household's rice self-sufficiency situation	3.c.2b.2
Reason_negative_change_rice_1	integer code (see codebook)	First reason for negative change in household's rice self-sufficiency situation	3.c.2c.1
Reason_negative_change_rice_2	integer code (see codebook)	Second reason for negative change in household's rice self-sufficiency situation	3.c.2c.2
Would_stop_rice_cultivation	integer code (0=No; 1=Yes; 2=Unclear answer; 98=NA: Doesn't cultivate rice)	Does the respondent considers the household would buy the rice it consumes instead of producing it in the case it could afford it?	3.d.1
Reason_stop_rice_cultivation_1	integer code (see codebook)	First reason for the household to stop producing the self-consumption rice and buying it instead	3.d.2
Reason_stop_rice_cultivation_2	integer code (see codebook)	Second reason for the household to stop producing the self-consumption rice and buying it instead	3.d.3
Reason_not_stop_rice_cultivation_1	integer code (see codebook)	Reason for the household not stopping producing the self-consumption rice and buying it instead	3.d.4
Satisfaction_with_quality_food	integer code (0=No; 1=Yes; 2=Mixed 3=Unclear answer)	Is the quality of the food the household consumes satisfying according to the respondent? (Especially regarding meat consumption)	3.e.1
Satisfaction_with_variety_food	integer code (0=No; 1=Yes; 2=Mixed; 3=Unclear answer)	Is the variety of the food the household consumes satisfying according to the respondent?	3.e.2
Significance_of_rice	integer code (0=No; 1=Yes)	Does the respondent consider rice has significance besides exclusively its nutritional value?	3.f.1.a
Reason_significance_rice_1	integer code (see codebook)	First reason for rice having significance besides exclusively its nutritional value	3.f.1.c
Reason_significance_rice_2	integer code (see codebook)	Second reason for rice having significance besides exclusively its nutritional value	3.f.1.d

Reason_significance_rice_3	integer code (see codebook)	Third reason for rice having significance besides exclusively its nutritional value	3.f.1.e
Significance_of_zebu	integer code (0=No; 1=Yes)	Does the respondent consider zebu has significance besides exclusively its nutritional value?	3.f.2.a
Reason_significance_zebu_1	integer code (see codebook)	First reason for zebu having significance besides exclusively its nutritional value	3.f.2.c
Reason_significance_zebu_2	integer code (see codebook)	Second reason for zebu having significance besides exclusively its nutritional value	3.f.2.d
Reason_significance_zebu_3	integer code (see codebook)	Third reason for zebu having significance besides exclusively its nutritional value	3.f.2.e
Satisfaction_with_price_for_cash_crops	integer code (0=No; 1=Yes; 2=Mixed; 98=N/A: Doesn't cultivate cash crops)	Is the respondent satisfied with the current price for cash crops?	3.g.1.a
Reason_no_satisfaction_price_1	integer code (see codebook)	First reason for not being satisfied with current price for cash crops	3.g.1.b
Reason_no_satisfaction_price_2	integer code (see codebook)	Second reason for not being satisfied with current price for cash crops	3.g.1.c
Satisfaction_with_marketing_cash_crops	integer code (0=No; 1=Yes; 2=Mixed/depends; 3=Unclear answer; 98=N/A: Doesn't cultivate cash crops)	Is the respondent satisfied with the marketing conditions for cash crops?	3.g.2.a
Reason_no_satisfaction_market_1	integer code (see codebook)	First reason for not being satisfied with marketing conditions for cash crops	3.g.2.b
Reason_no_satisfaction_market_2	integer code (see codebook)	Second reason for not being satisfied with marketing conditions for cash crops	3.g.2.c
Change_in_satisfaction_price	integer code (0=Negative; 1=Positive; 2=No change; 3=Other/mixed; 98=NA: N/A: Doesn't cultivate cash crops)	Did the respondent's satisfaction with price for cash crops change in the past 20 years?	3.h.1.a
Reason_positive_change_price	integer code (1=Increase in price)	Reason for positive change in satisfaction with price for cash crops	3.h.1.b
Reason_negative_change_price	integer code (1= inflation)	Reason for negative change in satisfaction with price for cash crops	3.h.1.c
Collection_of_forest_products	integer code (0=No; 1=Yes)	Does the household collects products in the forest?	4.a.1
Reason_no_collection_forest_products	integer code (see codebook)	Reason for not collection products in the forest	4.a.2
Sells_forest_products	integer code (0=No; 1=Yes; 98=NA: Doesn't collect products in the forest)	Does the household sell products from the forest?	4.a.3
Non_material_benefits_from_forests	integer code (0=No; 1=Yes)	Does the respondent consider forest provides non-material benefits?	4.b.1.a
Non_material_benefit_forest_1	integer code (see codebook)	First non-material benefit from forest	4.b.1.b.1
Non_material_benefit_forest_2	integer code (see codebook)	Second non-material benefit from forest	4.b.1.b.2
Non_material_benefit_forest_3	integer code (see codebook)	Third non-material benefit from forest	4.b.1.b.3
Non_material_benefit_forest_4	integer code (see codebook)	Fourth non-material benefit from forest	4.b.1.b.4
Satisfaction_with_forest_products_access	integer code (see codebook)	Is the respondent satisfied with the access to forest products?	4.d.1a
Satisfaction_with_forest_cultural_access	integer code (see codebook)	Is the respondent satisfied with the access to forest for cultural aspects?	4.d.1b
Reason_no_satisfaction_forest_access	integer code (see codebook)	Reason for not being satisfied with forest access	4.d.2
Change_in_access_to_forest	integer code (0=Less access; 1=More access; 2=No change; 3=Unclear answer)	How the respondent perceives access to forest has changed in the last 20 years?	4.e.1a
Reason_less_access_forest_1	integer code (see codebook)	First reason for change to less access to forest	4.e.1b
Reason_less_access_forest_2	integer code (see codebook)	Second reason for change to less access to forest	4.e.1c

if_negative_change_forest_access_positive_aspect	integer code (0=No; 1=Yes; 2=Doesn't know; 3=Unclear answer)	If negative change in access to forest, any positive aspect of that change?	4.e.2
if_positive_change_forest_access_negative_aspect	integer code (0=No; 1=Yes; 2=Doesn't know; 3=Unclear answer)	If positive change in access to forest, any negative aspect of that change?	4.e.3
Change_in_forest	integer code (0=Negative; 1=Positive; 2=No change; 3= Unclear answer)	How the respondent perceive the state of the forest has changed in the last 20 years?	4.e.4a
What_change_in_forest_1	integer code (see codebook)	First reason for change in the state of the forest	4.e.4.b
What_change_in_forest_2	integer code (see codebook)	Second reason for change in the state of the forest	4.e.4.c
Sufficient_drinking_water	integer code (0=No; 1=Yes; 2=Mixed; 3=Unclear answer)	Does the respondent consider the drinking water available is sufficient?	5.a.1.a
Sufficient_irrigation_water	integer code (0=No; 1=Yes; 2= No due to lack of / difficulty to set up irrigation scheme; 3= In some areas yes, in some areas; 4= Unclear answer; 98= N/A: No paddy fields)	Does the respondent consider the irrigation water available is sufficient?	5.a.1.b
Satisfaction_quality_water	integer code (0=No; 1=Yes; 2=Mixed)	Is the respondent satisfied with the drinking water quality?	5.a.2
Change_water_quantity	integer code (0=Negative (less water); 1=Positive (more water); 2=No change)	How does the respondent perceive the quantity of water has changed in the last 20 years?	5.a.3a
Change_water_quality	integer code (0=Negative (worse water); 1=Positive (better water); 2=No change; 3=Unclear answer)	How does the respondent perceive the quality of water has changed in the last 20 years?	5.a.3b
Change_rainfall	integer code (0=Less rainfall; 1=More rainfall; 2=No change; 3=Unclear answer)	How does the respondent perceive the amount of rainfall has changed in the last 20 years?	5.a.4a
What_does_in_case_of_illness_1	integer code (see codebook)	First thing the respondent does in the case any member of the household falls sick	5.b.1a
What_does_in_case_of_illness_2	integer code (see codebook)	Second thing the respondent does in the case any member of the household falls sick	5.b.1b
Satisfaction_with_health_services	integer code (0=No; 1=Yes; 2=Mixed; 3=Unclear answer)	Is the respondent satisfied with the health services? (access and quality)	5.b.2a
Reason_no_satisfaction_health_services_1	integer code (see codebook)	First reason for not being satisfied with health services	5.b.2b
Reason_no_satisfaction_health_services_2	integer code (see codebook)	Second reason for not being satisfied with health services	5.b.2c
Change_in_health_services	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=Unclear answer)	How the health services situation has changed on the last 20 years according to the respondent?	5.b.3a
Reason_positive_change_health_services_1	integer code (see codebook)	First reason for positive change in health services situation	5.b.3b.1
Reason_positive_change_health_services_2	integer code (see codebook)	Second reason for positive change in health services situation	5.b.3b.2
Reason_negative_change_health_services_1	integer code (see codebook)	First reason for negative change in health services situation	5.b.3c.1
Reason_negative_change_health_services_2	integer code (see codebook)	Second reason for negative change in health services situation	5.b.3c.2
Possibility_of_moving_around	integer code (0=No; 1=Yes; 2=Yes, but with constraints)	Does the respondent considers he/she has the possibilities to move around as needed?	6.a.1.a
Reason_no_possibility_moving_1	integer code (see codebook)	First reason for not having possibilities of moving around as needed	6.a.1.b
Reason_no_possibility_moving_2	integer code (see codebook)	Second reason for not having possibilities of moving around as needed	6.a.1.c
Reason_no_possibility_moving_3	integer code (see codebook)	Third reason for not having possibilities of moving around as needed	6.a.1.d
Change_in_possibilities_of_moving_around	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=Unclear answer)	How the possibilities of moving around have changed in the last 20 years according to the respondent?	6.c.1a

Reason_change_possibilities_moving_1	integer code (see codebook)	First reason for change in possibilities of moving around	6.c.1.b
Reason_change_possibilities_moving_2	integer code (see codebook)	Second reason for change in possibilities of moving around	6.c.1.c
Satisfaction_with_housing	integer code (0=No; 1=Yes; 2=Mixed; 3=Unclear answer)	Is the respondent satisfied with the household's housing conditions?	6.d.1
Reason_no_satisfaction_with_housing_1	integer code (see codebook)	First reason for not being satisfied with housing conditions	6.d.2a
Reason_no_satisfaction_with_housing_2	integer code (see codebook)	Second reason for not being satisfied with housing conditions	6.d.2b
Satisfaction_with_electricity	integer code (0=No; 1=Yes; 2=Unclear answer)	Is the respondent satisfied with the household's access to electricity?	6.e.1
Reason_no_satisfaction_with_electricity	integer code (see codebook)	Reason for not being satisfied with access to electricity	6.e.2
Change_in_housing	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=Unclear answer)	How the household's housing conditions have changed in the last 20 years according to the respondent?	6.f.1.a
Change_in_electricity	integer code (0=Negative; 1=Positive; 2=No change)	How the household's access to electricity has changed in the last 20 years according to the respondent?	6.f.1.b
Security_in_the_village	integer code (0=No; 1=Yes; 2=Mixed; 3=Unclear answer)	Is the respondent satisfied with the security situation in the village?	6.g.1.a
If_no_security_in_the_village_reason_1	integer code (see codebook)	Reason for not being satisfied with the security situation in the village	6.g.1.b
Change_in_security	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=Unclear answer)	How the security situation in the village has changed in the last 20 years according to the respondent?	6.h.1.a
Reason_positive_change_security_1	integer code (see codebook)	First reason for positive change in security situation in the village	6.h.1.b.1
Reason_positive_change_security_2	integer code (see codebook)	Second reason for positive change in security situation in the village	6.h.1.b.2
Reason_negative_change_security_1	integer code (see codebook)	First reason for negative change in security situation in the village	6.h.1.c.1
Reason_negative_change_security_2	integer code (see codebook)	Second reason for negative change in security situation in the village	6.h.1.c.2
Cyclones_affecting_life	integer code (0=No; 1=Yes; 2=Not much; 3=Yes in cash crop field, not in the house; 4=Not this year; 5=Unclear answer)	Does the respondent perceive that cyclones affect his/her life?	6.i.1.a
Change_in_cyclones_frequency	integer code (0=Negative change (more cyclones); 1=Positive change (less cyclones); 2=No change; 3=Don't know; 4=Unclear answer)	Have the respondent noticed any change in the frequency of cyclones?	6.i.1.b
Change_in_cyclones_strength	integer code (0=Negative change (stronger cyclones); 1=Positive change (weaker cyclones); 2=No change; 3=Don't know; 4=Unclear answer)	Have the respondent noticed any change in the strength of cyclones?	6.i.1.c
Years_education	non-negative integer (years)	Number of schooling years of respondent	7.a.1
Satisfaction_with_own_level_of_education	integer code (0=Negative; 1=Positive; 2=Unclear answer)	Is the respondent satisfied with own level of education/schooling level?	7.b.1
Reason_no_satisfaction_with_own_level_of_education	integer code (see codebook)	Reason for not being satisfied with own level of education/schooling level	7.b.2
Satisfaction_with_possibilities_of_children_education	integer code (see codebook)	Is the respondent satisfied with the access to education/schooling for the children?	7.b.3.a
Reason_no_satisfaction_possibilities_children_education	integer code (see codebook)	Reason for not being satisfied with access to education/schooling for the children	7.b.3.b
Satisfaction_with_education_in_the_village	integer code (0=Negative; 1=Positive; 2=Mixed; 3=Unclear answer)	Is the respondent satisfied with the education possibilities in the village?	7.c.1a

Reason_no_satisfaction_education_in_the_village_1	integer code (see codebook)	First reason for not being satisfied with the education possibilities in the village	7.c.1b
Reason_no_satisfaction_education_in_the_village_2	integer code (see codebook)	Second reason for not being satisfied with the education possibilities in the village	7.c.1c
Reason_no_satisfaction_education_in_the_village_3	integer code (see codebook)	Third reason for not being satisfied with the education possibilities in the village	7.c.1d
Satisfaction_about_getting_agricultural_information	integer code (0=No; 1=Yes; 2=Don't know; 3=Done by him/herself; 4=Mixed; 5=Missed agricultural training when offered; 6=Not clear reason)	Is the respondent satisfied with the possibilities of getting information about agriculture?	7.d.1.a
Satisfaction_about_getting_news	integer code (0=No; 1=Yes; 2=Don't know; 3=Mixed; 4=Not clear reason)	Is the respondent satisfied with the possibilities of getting general information/news?	7.d.1.b
Change_in_satisfaction_education	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change; 4=No clear answer)	How the education possibilities in the village have changed in the last 20 years according to the respondent?	7.e.1a
Reason_positive_change_in_education_1	integer code (see codebook)	First reason for positive change in education possibilities in the village	7.e.1b
Reason_positive_change_in_education_2	integer code (see codebook)	Second reason for positive change in education possibilities in the village	7.e.1c
Reason_negative_change_in_education_1	integer code (see codebook)	First reason for negative change in education possibilities in the village	7.e.1d
Reason_negative_change_in_education_2	integer code (see codebook)	Second reason for negative change in education possibilities in the village	7.e.1e
Possibility_to_participate_in_decisions_in_village	integer code (0=No; 1=Yes; 2=Only listens, do not participate; 3=Other)	Is the respondent satisfied with the possibilities of participating in decision-making processes in the village?	8.a.1
Change_in_possibility_to_participate_in_decisions	integer code (0=Negative; 1=Positive; 2=No change; 3=Unclear answer)	How the possibilities of participating in decision-making processes in the village have changed in the last 20 years according to the respondent?	8.b.1
Reason_change_in_possibility_to_participate_in_decisions	integer code (see codebook)	Reason for change in possibilities of participating in decision-making processes	8.b.2
Influence_of_PA_creation_in_life	integer code (see codebook)	Has the PA creation influenced the respondent's life?	8.c.1
Reason_negative_influence_PA_1	integer code (see codebook)	First reason for negative influence of PA creation in the respondent's life	8.c.2b1
Reason_negative_influence_PA_2	integer code (see codebook)	Second reason for negative influence of PA creation in the respondent's life	8.c.2b2
Positive_or_no_influence_but_disadvantages_1	integer code (see codebook)	Disadvantage from PA creation even if no influence in the respondent's life	8.c.2c
Reason_positive_influence_PA_1	integer code (see codebook)	First reason for positive influence of PA creation in the respondent's life	8.c.3c
Reason_positive_influence_PA_2	integer code (see codebook)	Second reason for positive influence of PA creation in the respondent's life	8.c.3d
Reason_positive_influence_PA_3	integer code (see codebook)	Third reason for positive influence of PA creation in the respondent's life	8.c.3e
Reason_positive_influence_PA_4	integer code (see codebook)	Fourth reason for positive influence of PA creation in the respondent's life	8.c.3f

Support_from_other_projects	integer code (0=No; 1=Yes; 2=Maybe, does not know; 3=Does not remember; 4=not clear answer; 5=Only after cyclones (humanitarian aid))	Were there any other projects in the village (development, livelihoods, etc.) not related to the PA?	8.c.4
Other_projects_1	integer code (see codebook)	First project implemented / project implementer in the village not related to the PA	8.c.5a
Other_projects_2	integer code (see codebook)	Second project implemented / project implementer in the village not related to the PA	8.c.5b
Other_projects_3	integer code (see codebook)	Third project implemented / project implementer in the village not related to the PA	8.c.5c
Possibility_of_taking_care_of_others	integer code (0=No; 1=Yes)	Is the respondent satisfied with the possibilities of taking care of other people?	9.a.1
Reason_no_possibility_taking_care_others	integer code (0=In difficulties himself/herself)	Reason for not being satisfied with the possibilities of taking care of other people	9.a.2
Satisfaction_with_social_relations_in_the_village	integer code (0=No; 1=Yes; 2=Mixed)	Is the respondent satisfied with the social relations in the village?	9.b.1
Reason_no_satisfaction_social_relations_in_the_village	integer code (see codebook)	Reason for not being satisfied with the social relations in the village	9.b.2
Unequal_treatment_in_the_village	integer code (0=No; 1=Yes)	Does the respondent considered there is unequal treatment in the village?	9.c.1a
Reason_unequal_treatment_in_the_village_1	integer code (see codebook)	First reason for unequal treatment in the village	9.c.1b
Reason_unequal_treatment_in_the_village_2	integer code (see codebook)	Second reason for unequal treatment in the village	9.c.1c
Change_in_social_relations_in_the_village	integer code (0=Negative; 1=Positive; 2=Both negative and positive; 3=No change)	How the social relations in the village have changed in the last 20 years according to the respondent?	9.d.1a
Reason_negative_change_social_relations_1	integer code (see codebook)	First reason for negative change in social relations in the village	9.d.1b.1
Reason_negative_change_social_relations_2	integer code (see codebook)	Second reason for negative change in social relations in the village	9.d.1b.2
Reason_positive_change_social_relations_1	integer code (see codebook)	First reason for positive change in social relations in the village	9.d.1c.1
Reason_positive_change_social_relations_2	integer code (see codebook)	Second reason for positive change in social relations in the village	9.d.1c.2
What_does_in_free_time_1	integer code (see codebook)	First free time activity	9.e.1a
What_does_in_free_time_2	integer code (see codebook)	Second free time activity	9.e.1b
What_does_in_free_time_3	integer code (see codebook)	Third free time activity	9.e.1c
Where_does_spend_free_time_1	integer code (see codebook)	First location for spending free time	9.e.2a
Where_does_spend_free_time_2	integer code (see codebook)	Second location for spending free time	9.e.2b
Satisfaction_with_free_time	integer code (0=No; 1=Yes; 2=Half satisfied)	Is the respondent satisfied with the amount of free time available?	9.e.3a
Reason_no_satisfaction_with_free_time	integer code (see codebook)	Reason for not being satisfied with the amount of free time available	9.e.3b
Possibility_of_planning_own_life	integer code (0=No; 1=Yes; 2=Depends on the money available; 3=Other)	Is the respondent satisfied with the possibilities of planning his/her own life?	9.f.1
Difficult_aspect_to_get_1	integer code (see list of codes at the bottom of codebook)	First most difficult aspect to get	Difficult_1
Difficult_aspect_to_get_2	integer code (see list of codes at the bottom of codebook)	Second most difficult aspect to get	Difficult_2
Difficult_aspect_to_get_3	integer code (see list of codes at the bottom of codebook)	Third most difficult aspect to get	Difficult_3
Satisfying_aspect_1	integer code (see list of codes at the bottom of codebook)	First most satisfying aspect	Satisfying_1

Satisfying_aspect_2	integer code (see list of codes at the bottom of codebook)	Second most satisfying aspect	Satisfying_2
Satisfying_aspect_3	integer code (see list of codes at the bottom of codebook)	Third most satisfying aspect	Satisfying_3
