Mean annual $\delta^{18}\text{O}_w$

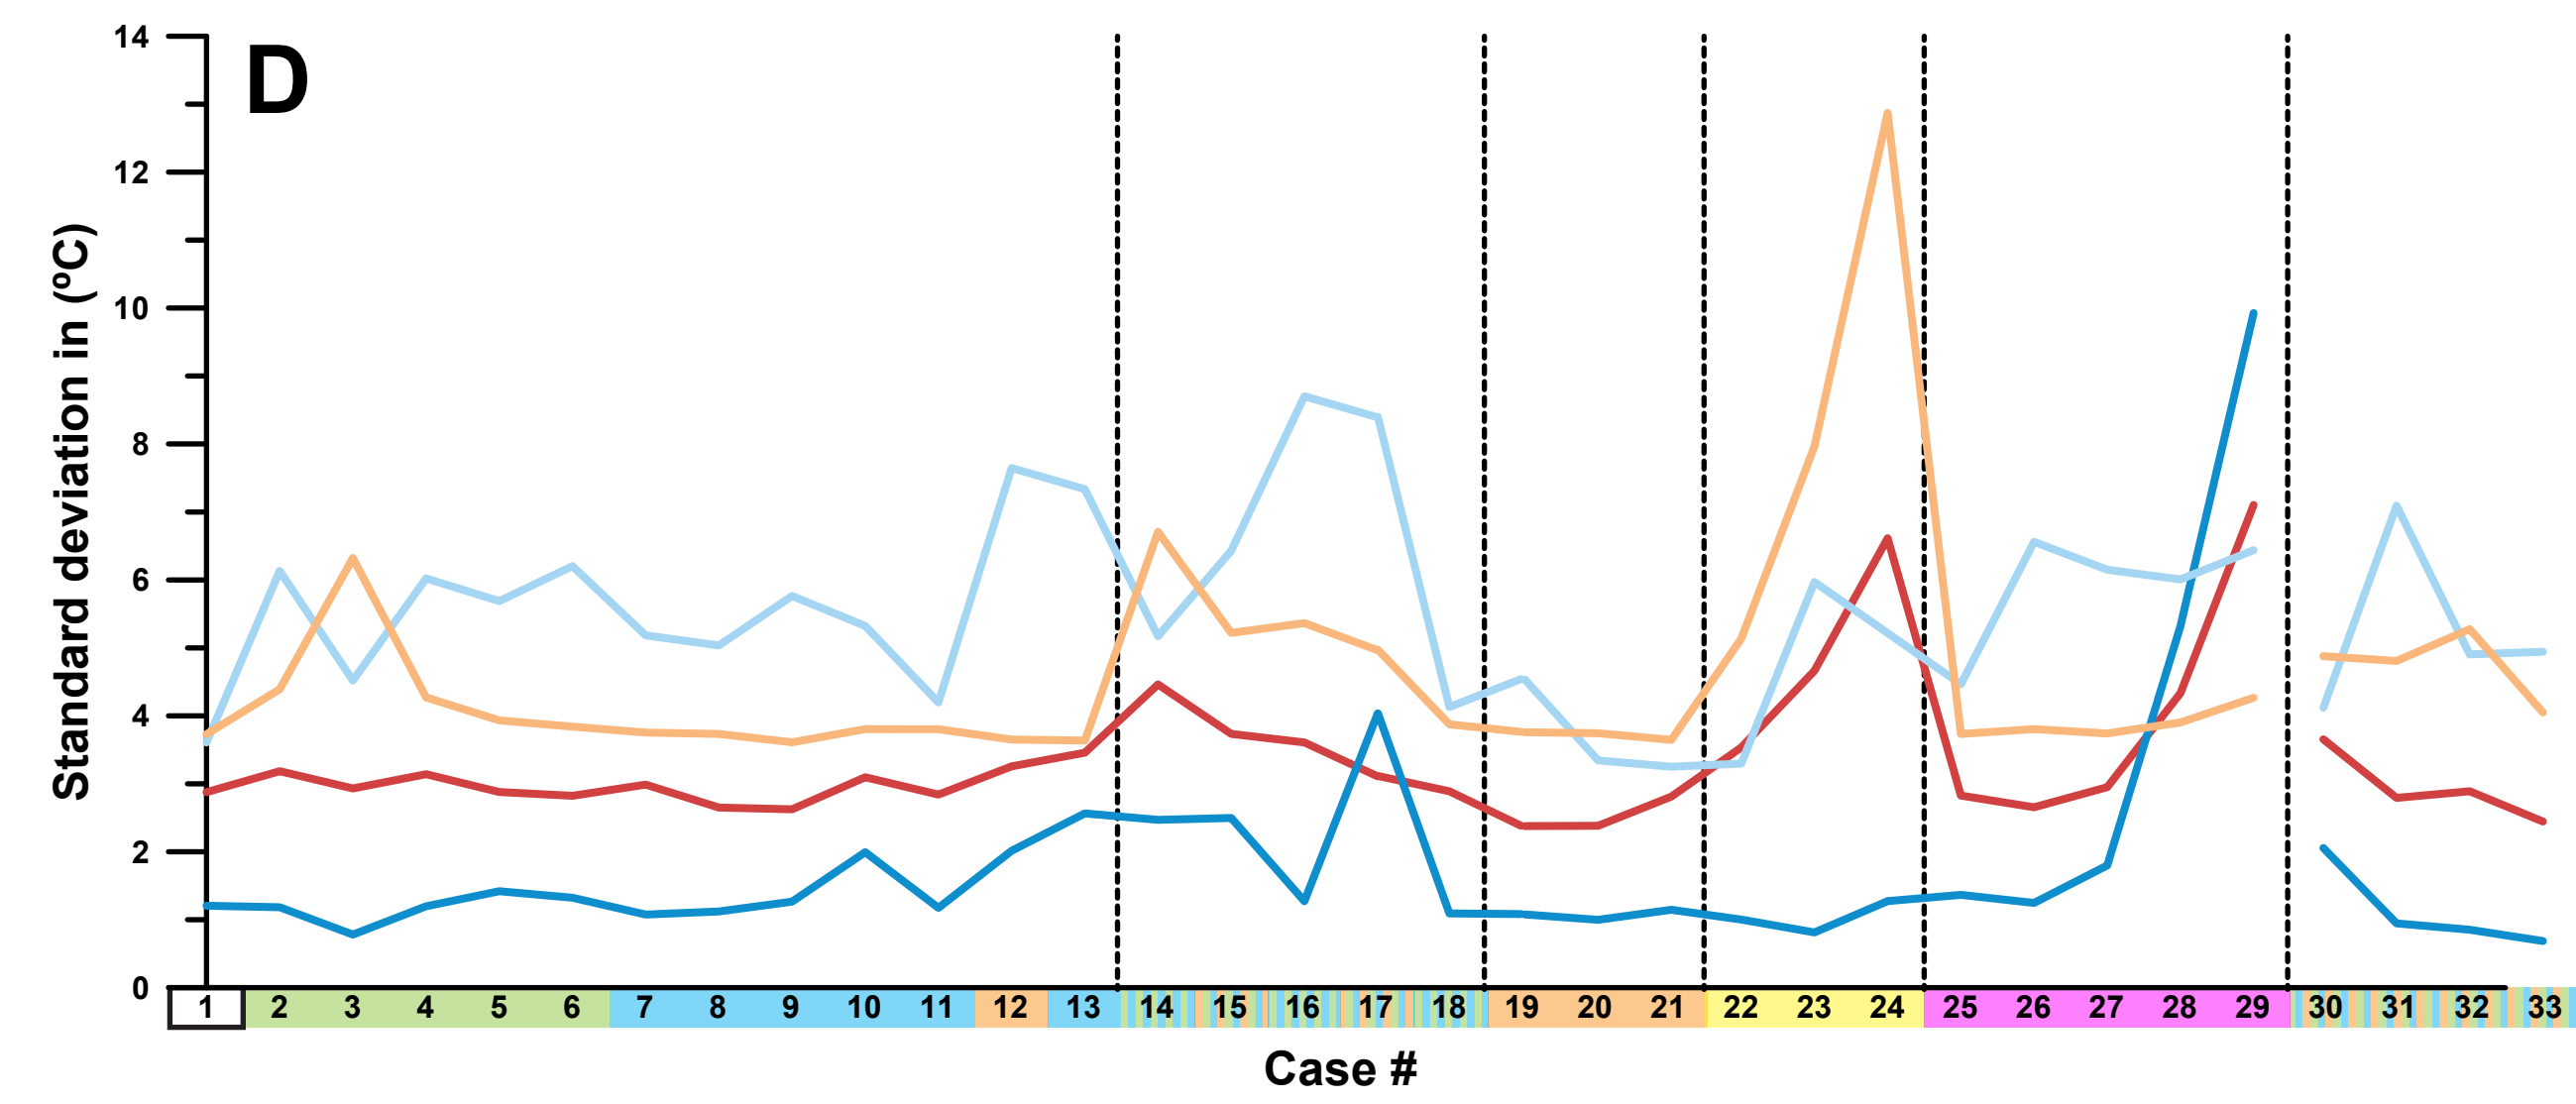

$\delta^{18}\text{O}_w$ seasonality

Mean annual SST

SST seasonality

Legend to case types

- Control
- Variability in record length
- Variability in age model uncertainty
- Variability in growth rate
- Variability in $\delta^{18}\text{O}_{sw}$
- Variability in SST
- Variability in growth rate and $\delta^{18}\text{O}_{sw}$
- Variability in growth rate, $\delta^{18}\text{O}_{sw}$ and SST

Legend to line types

- $\delta^{18}\text{O}$
- smoothing
- binning
- optimization
