

Correction

Taiga Kunishima, Herminie P. Palla, Katsunori Tachihara, and Ken Maeda (2022) First Records of an Estuarine Goby *Acentrogobius ocyurus* (Gobiiformes: Gobiidae) from Japan and the Sulu Sea in the Philippines. Species Diversity. 27(1): 129–138. DOI: 10.12782/specdiv.27.129

Correction:

In the original version of this article, Fig. 4 lacked a few triangles denoting online records of *Acentrogobius ocyurus* (Jordan and Seale, 1907) from the Gulf of Thailand, Sorsogon in the Philippines, and Papua New Guinea. The corrected Fig. 4 is shown below; the original Fig. 4 should be replaced with this figure.

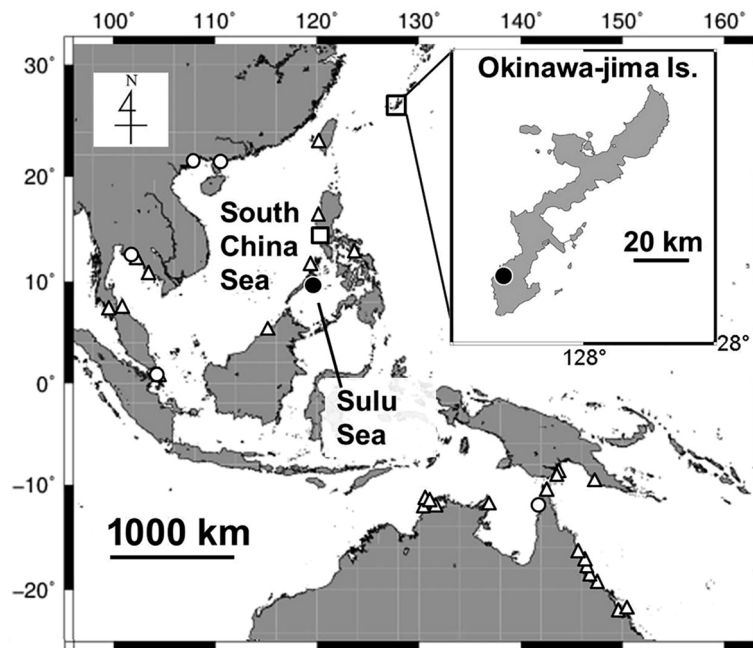

Fig. 4. Map showing the sites where *Acentrogobius ocyurus* has been recorded (corrected).
