

a)

```
1 print(''  
2 Did that stop the old Grinch?  
3 No! The Grinch simply said,  
4 "If I can't find a reindeer,  
5 I'll make one instead!"  
6 ''')
```

Wrong multiline string usage

b)

```
...  
for i in range(n):  
    number = int(input())  
    numbers.append(number)  
...
```

Loop control variable not used

c)

```
1 print(1 * 2 * 3)
```

Meaningless number operation violation
