

This article draws on the knowledge created by the coordinator of the H2020 project ALLINTERACT: Widening and diversifying citizen engagement in science. This project was selected and funded by the European Commission under Grant Agreement N. 872396

This work has been carried out within the framework of the national I+D+i CONSENT project From Speech Acts to Communicative Acts (PID2019-110466RB-I00) funded by MCIN/AEI/10.13039/501100011033.

Table A.

Sample of fieldwork with youth. Communicative Daily Life Stories. Anonymized participants and regions covered

N°	CODE	Gender	Age	Level of education / profession	Region
1	LD16	F	22	College student	Catalonia
