

Slovak Archive of Social Data (SASD)

as a national service provider for CESSDA ERIC

Miloslav Bahna – Katarína Strapcová

*Slovak Archive of Social Data
Institute for Sociology, Slovak Academy of Sciences*

EOSC Slovak National Tripartite Event, Slovak Centre of Scientific and
Technical Information (CVTI SR), Lamačská cesta 8A, 840 05 Bratislava, Slovakia

Date: 31 May 2023, 09:30-14:00

Mission since 2004

- Provide open access to (not only) publicly-funded social science (survey) research data
- Enhance secondary analysis of available data
- Standardize and improve methodology of empirical research in social sciences

2004 Slovak Archive of Social Data (SASD) established within a national project

2013 April 12

together with Portugal, Slovakia became the last „old“ CESSDA member at the last meeting of CESSDA in Budapest

December 16

The Minister of Education, Science, Research and Sport of the Slovak Republic signed a letter indicating the willingness of Slovakia to join CESSDA as an observer

2014 June 12

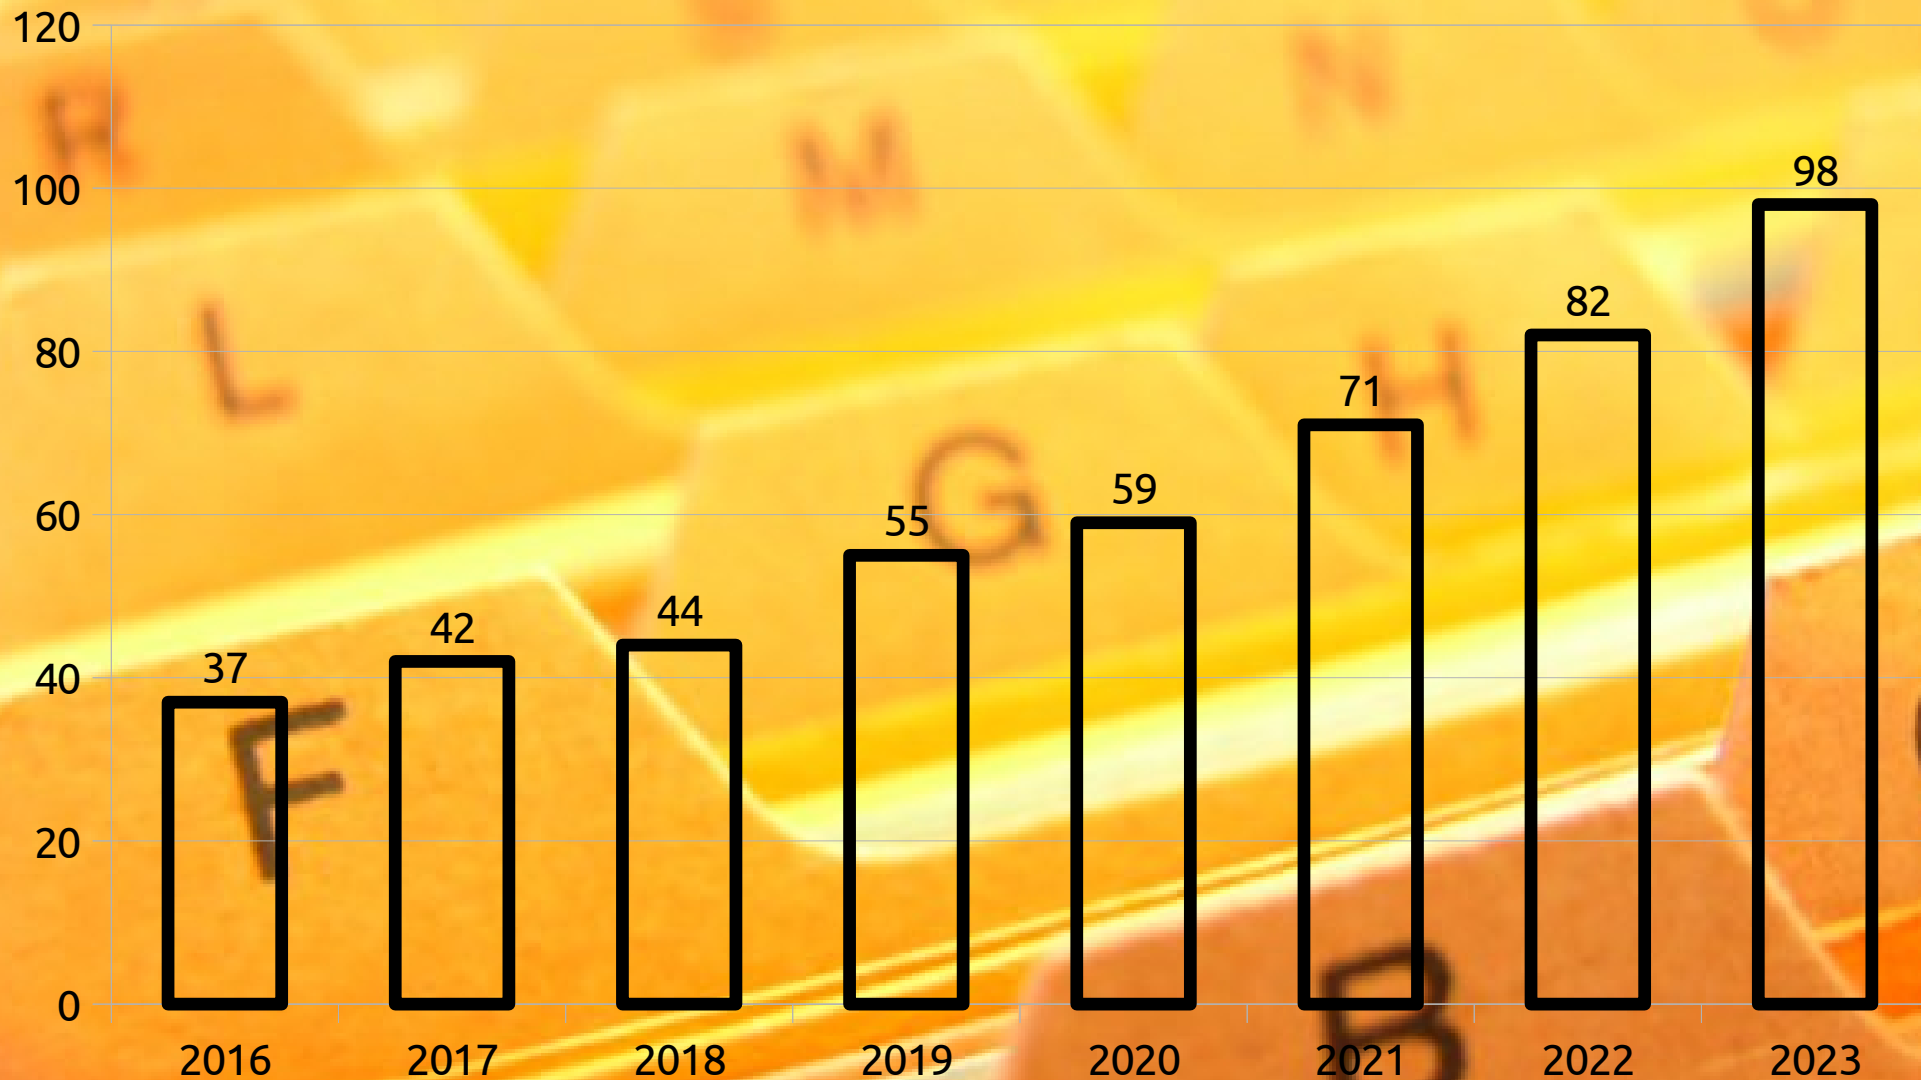

Slovakia became observer in CESSDA AS

2017 March 24

Request for the setting-up of CESSDA ERIC from Slovakia

- June 2017 – Slovakia became a founding member of CESSDA-ERIC with SASD as the **National service provider for the Consortium of the European Social Science Data Archives (CESSDA)**
- Currently, membership fees are covered by the Ministry of Education, operational costs are covered by the Institute for Sociology of the Slovak Academy of Sciences
- Available at: <http://sasd.sav.sk>

Data Data catalogue

How Are You, Slovakia?, April 2020

[study description](#) | [list of variables](#) | [data access](#)

Details for variable Q22

Name: Q22

Variable label: Ak by dnes bola dostupná vakcína na nový koronavírus, dali by ste sa zaočkovať?

Literal question:

Ak by dnes bola dostupná vakcína na nový koronavírus, dali by ste sa zaočkovať?

Label	Value		Frequency*	%*
áno	1		409	40.9
nie	2		278	27.8
neviem	3		313	31.3

Summary statistics

Total Responses:

Valid: 1000

Min. / max. value: 0 /

Mean / standard deviation: /

[[previous variable](#)] | [[next variable](#)]

[[back](#)]

***Caution:** Frequencies and percentages are calculated from unweighted data. If data were not collected using quota sampling, there could be significant differences between those unweighted values and the representative weighted figures.

Partnerships

- Cooperation with „Národné osvetové centrum“ [National centre of culture] at the Ministry of Culture, 20 data sets from 2020 – 2017 available via SASD
- Agreement with „Odbor koordinácie protidrogovej stratégie a monitorovania drog“ [Section of coordination of anti-drug strategy and drug monitoring]
- Aim is to become THE archive for (not only) publicly-funded survey data

A close-up, slightly blurred photograph of a computer keyboard. The keys are a light beige or cream color, and the letters are printed in a dark, sans-serif font. The lighting is warm and golden, creating a soft glow across the entire scene. The focus is shallow, with the keys in the foreground being sharper than those in the background.

Thank you for your attention.
