

Improving knowledge, skills and capacity building to ensure Plant Health in more sustainable agricultural systems

Welcome and introduction

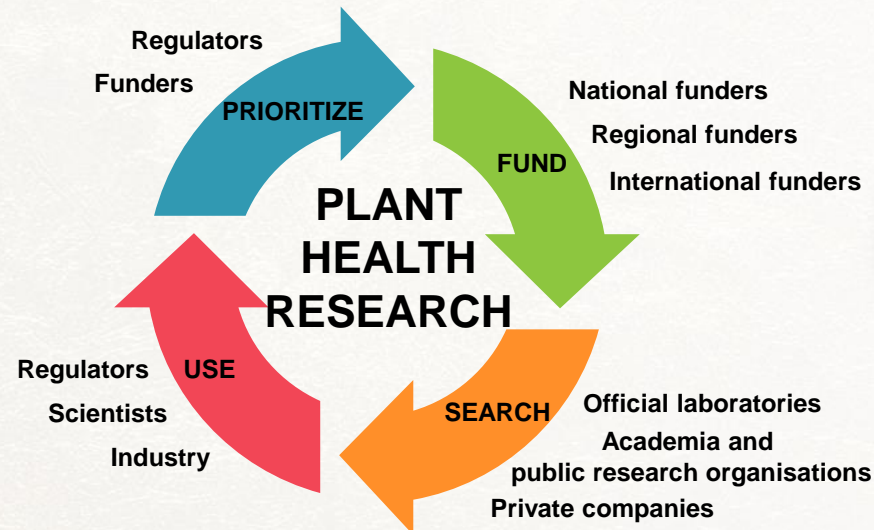

3-11 June 2023

**#EUGreenWeek
PARTNER EVENT**

- ✓ Develops a forward-looking common vision of future agri-food systems
- ✓ Outlines the challenges and opportunities
- ✓ Identifies key R&I needs in the short, medium and long term

Agenda

Ask question at [slido.com](https://www.slido.com) with [#PlantHealth_GW23](https://twitter.com/PlantHealth_GW23)

- 14:00** **Welcome**
Amrit Nanda (Plants for the Future ETP) and Baldissera Giovani (Euphresco)
- 14:05** **Regulation of Plant Protection Products (PPPs) – ensuring access to new and innovative low-hazard PPPs**
Domenico Deserio (EU Commission DG SANTE Unit on Pesticides and Biocides)
- 14:15** **Improving knowledge on basic substances: what they are, their approval and use**
Patrice Marchand (Technical Institute for Organic Agriculture)
- Collaborative research and knowledge sharing on basic substances as an environmentally friendly alternative to synthetic plant protection products for plant protection**
Gianfranco Romanazzi (Marche Polytechnic University)
- 14:30** **Capacity building on pre-emptive biological control and preparedness against priority biosecurity threats**
Neil Audsley (Fera Science Ltd)
- 14:45** **How to de-risk R&I for PPPs – the importance of capacity building and knowledge sharing**
Christoph Grondal (Eurofins Agrosience Services)
- 15:00** **Panel discussion and Q&A**
- 15:30** **Close**

Webinar is an opportunity to discuss

- The policy landscape around alternative Plant Protection Products (PPPs)
- Recent research activities on sustainable pest management methods
- The challenges and opportunities linked to alternative PPPs
- The bottlenecks limiting the translation of R&I into solutions for EU agriculture
- Needs in terms of knowledge, skills and capacity building
- Opportunities to accelerate the use of research outputs into the field

Housekeeping rules

The webinar will be recorded and published on YouTube

Attendees are muted and cannot turn on their camera

Ask questions using Slido

- Go to Sli.do or Slido.com and type **#PlantHealth_GW23**
- Ask your question and/or up or down-vote others' questions

The most popular questions will be addressed during the panel Q&A from 15 CEST
