ANNUAL CH ERIC SYMPOSIUM 2023 FOR RESEARCH INFRASTRUCTURE NETWORKS

Pitches by the Swiss national nodes of existing and future ERICs

22.06.2023

# National Node of CLARIN

Team:
Cristina Grisot (UZH, NC), Noah Bubenhofer (UZH, director of LiRI), Anita Auer (UNIL, chair of the consortium)

Coordination institution: University of Zurich
- ✓ LiRI: National technology platform
- ✓ LaRS: FAIR-compliant data repository

CLARIN's vision: *render accessible all digital language resources and tools from all over Europe through a single sign-on online environment.*

- ✓ CLARIN-CH Working Groups: *CH-ORD projects, Management of sensitive and personal data, Metadata schema for Swiss resources*
- ✓ National language data and tools: FAIR resources

- ▪ Financial model: membership fees and project funding
- ▪ Challenge: Lack of national funding schemes for long-term infrastructure development
