Research and Innovation

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101035808

OUR WORKSHOP

Doing Responsible Research and Innovation:

- Involving society in science and innovation
- Doing research with:

public engagement

ethics

open access

OUR WORKSHOP HOW?

Documentation of our Experiences, Memories and Testimonies related to Traditions

- We will select an image depicting an element of our tradition

- We will describe one personal experience-memory related to this

- We will publish this on a collective map

OUR WORKSHOP WHY?

Responsible Research and Innovation

- Enrich digital heritage with participation in science

- Reuse of open cultural resources

- Knowledge sharing on diverse community heritages between civil society and higher education

OUR WORKSHOP

WHAT?

—WHAT?

Document online a memory and experience from your:
- Traditions (traditional food, ritual, crafts, etc.)
- Community life (gatherings, events, etc.)
- Village or city of your origin
- Local places (forest, river, monument, etc.)

Intangible Cultural Heritage

Cultural heritage does not end at monuments and collections of objects. It also includes **traditions or living expressions inherited from our ancestors and passed on, such as**

- oral traditions
- performing arts
- social practices
- Rituals, festive events

- knowledge and practices concerning nature and the universe
- knowledge and skills to produce traditional crafts

Intangible Cultural Heritage for Sustainable Development

**For sustainable livelihoods and inclusive social development**

- Education

- Health

- Food security and agriculture
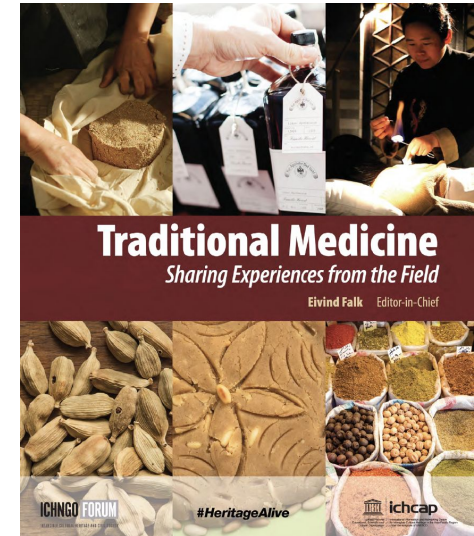

Intangible Cultural Heritage for Sustainable Development

For resilience, environmental sustainability

and peacebuilding

- Preventing and solving disputes

- Conflict-related emergency situations

- Food security and agriculture
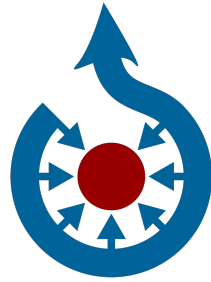

- Natural disasters and climate change

WHEN IS THIS FROM? *(required)*   **3**

1953 or 1950-1960

💡 Add the year that your pin was created (YYYY). If you don't know, add a rough range (YYYY-YYYY). If you happen to know the exact date, you can add it as YYYY-MM-DD

WHERE IS THIS FROM? *(required)*   **4**

🔘 I have a rough location for my pin eg. a town or region

💡 "Rough location" draws a circle on the map that you can move to show approximately where the pin belongs.

⚪ I have an exact location for my pin eg. a full address or street

💡 "Exact location" lets you pin it to a precise point on the map.

Search for a location, eg. Abingdon
