Invitation for research game

Dear Mr./Mrs./Ms. _____,

My name is Maria Isabel, and I am a researcher from the University of Mannheim in Germany. I am here today with my assistants from Iloilo to do study/research here in the island of Panay.

This game will be held in your barangay on _____ day, _____, 2015. Our game will start at _____.

In this game, each one of you will decide where the amount you can accumulate will affect you and others. Before and after the presentation, we will ask you some questions. If you go, you can win an additional amount from 150 to 600 pesos.

Your home is one of those that have been invited to participate in this event in your barangay. Our game will last 3 hours, and while playing, we will give you breakfast. Please enter your cell phone number so we can contact you.

This game is sponsored by the German government and is non-commercial. We are not interested in information about you, and this information will be considered secret.

Thank you for your time. And we hope you will be able to attend.
