## Inspiration - The Diamond OA Action Plan

- A plan to align and develop common resources for the entire Diamond OA ecosystem, including journals and platforms, while respecting their cultural, multilingual, and disciplinary diversity.
- [Diamond OA Action Plan](#) based on results of [OA Diamond Journals Study](#) (OADJS)
- Initiated and developed by ANR, c0Alition S, OPERAS and Science Europe.
- Over 150 organisations have signed up to the Diamond Action Plan to work together in a community.
- Close collaboration with the DIAMAS and CRAFT-OA projects funded by Horizon Europe for Diamond journals in the ERA.
- Diamond Summit in Toluca, Mexico 23-27 October 2023, to discussion **a global federation of Diamond Open Access**

## Overview

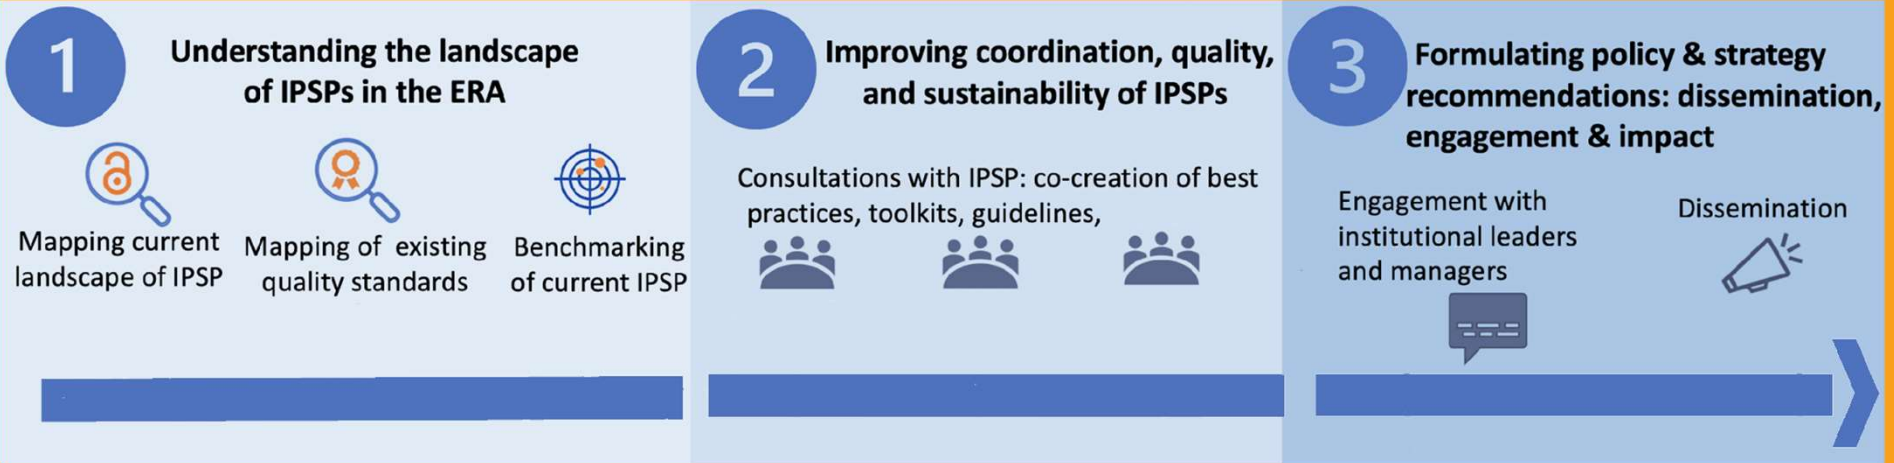

- ❖ Duration: 36 months
- ❖ Starting date: September 2022
- ❖ Horizon Europe funding
- ❖ Budget €3m
- ❖ Participants: 23 public service scholarly organizations from 12 European countries

# Project Objectives

- Provide the research community with an **aligned, high-quality, and sustainable OA scholarly communication ecosystem**, capable of implementing OA as a standard publication practice across the ERA.
- **Create a community, supporting services, and non-technical infrastructure for Institutional Publishing Service Providers (IPSPs)** that adopt common standards, guidelines, and best practices.
- **Common standards, guidelines, and best practices** will be co-created and adopted as an Extensible Quality Standard for Institutional Publishing (EQSIP).

## **Deliverables:**

- ❖ IPSP Landscape Report
  - ❖ Extensive survey within the European IPSP OA Publishing Landscape
  - ❖ Survey-a-thons - [Lessons learned](#) blogpost
  - ❖ [First results](#) published
  - ❖ Final Landscape report including different country reports will be available Nov. 2023
  
- ❖ IPSP database
  
- ❖ IPSP Best practices [report](#) (taking into account 58 best practices/ quality criteria/ requirements documents)
  
- ❖ Extensible Quality Standard for Institutional Publishing (EQSIP)
  - ❖ [Version 1.0](#) available (currently under EC review), Version 2.0 in development

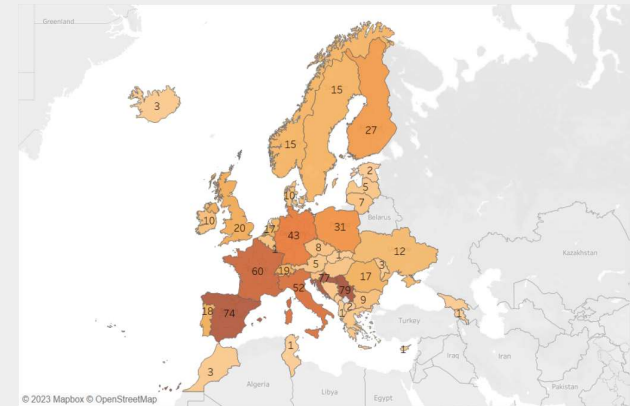

## **Deliverables:**

- ❖ Toolsuite and guidelines for IPSPs
- ❖ Suite of resources for the sustainability of IPSP
- ❖ Recommendations and guidelines for institutions, research performing and funding organisations (RPOs & RFOs), and policy makers
- ❖ The building blocks (registry, Forum, resources, guidelines) for setting up a **Capacity Hub for Diamond OA Publishing** for all stakeholders as ultimate goal

## First survey findings and followings

- ❖ Survey sent to around 5000 IPSPs
- ❖ 685 valid responses from 43 countries across the ERA
- ❖ Different levels of returns, influenced by national networks
- ❖ Publications from IPSPs in 37 languages
- ❖ All disciplines were represented, but publications from humanities and social sciences dominated, followed by multidisciplinary IPSPs
- ❖ difficulties of some institutions to identify themselves as IPSP
- ❖ Recommendations
  - ❖ Building or strengthening existing national institutional publishing capacity centres/ networks/ hubs
  - ❖ Dialogue with institutional publishing protagonists about responsibilities and roles
