GoTriple Live *(demo)*

<https://gotriple.eu>

The screenshot shows the GoTriple website interface. At the top left is the GoTriple logo. To its right is a navigation menu with links for 'Startseite', 'Über', 'Mitgliedschaft', 'Fachrichtungen', 'Crowdfunding', and 'Trust Building System'. Further right are buttons for 'Anmelden' and 'Registrieren'. The main content area has a dark purple background with the text 'Suche Quellen und Personen aus den Sozial- und Geisteswissenschaften'. Below this is a search bar with the placeholder text 'Publikationen, Daten, Projekte und Autor:innen suchen' and a 'Suchen' button. Under the search bar, there are several suggested search queries: 'femicide', 'science ouverte', 'open access', and '(fair OR "open access") AND publishing'. At the bottom of the page, a light grey banner contains the text 'GoTriple ist Ihr europäischer Hub für die Sozial- und Geisteswissenschaften'.

What the future will (hopefully) bring

- Supporting **more languages** for the UI
 - Calling OPERAS national nodes to the rescue!
- **Hosting** and **Performance** improvement (ingestion, search)
- Supporting **more source “types”**
- **Improving metadata quality** and **data reuse**
 - In GoTriple; with Data Providers (at the source)
- **Better FAIR**
 - Persistent identifier system (at OPERAS level)
 - A clearer license model for GoTriple generated data (the ontology helps...)
- **More users services**
 - Users docs import, better docs claiming, ORCID

*The **GoTriple** platform will be the Discovery Service of the OPERAS Research Infrastructure.*

The TRIPLE project has received funding from the European Union's Horizon 2020 Research & Innovation programme under grant agreement number 863420.
