

# SPATIAL Consortium Meeting in Dublin

The latest SPATIAL consortium meeting, held on the 12th and 13th of September, brought together members from various corners of Europe. Hosted by the University College Dublin (UCD) in the vibrant city of Dublin, Ireland, this gathering proved to be an exceptional opportunity for collaboration and knowledge exchange.

## SPATIAL PROJECT: THE EDUCATIONAL MODULES

Exciting news! We are proud to announce that our two online courses – Turstworthy AI and Advanced Trustworthy AI – will be available in October.

If you are a researcher, student, industry expert or professional working on different types of businesses, from engineering to law,

this course package is for you!

### SPATIAL podcast

In the second episode, we were happy to talk with Jason Pridmore (Erasmus University of Rotterdam) about AI and society.

### SECURENET 2023

#### Workshop

On the 11th of September, the SECURENET 2023 workshop took place at the University College Dublin.

### We need your help!

We're seeking your valuable input to collect testimonials for the SPATIAL project. Your feedback and endorsements are greatly appreciated and will contribute to our project's success. Please take a moment and answer to this question!

## Our Collaborators!

Discover more about the exciting projects we're collaborating with! In this newsletter you will find the latest news about StandICT, Arcadian-IoT and the SPATIAL CTF!
